

THE LEAGUE

presented by
**Marshall
& Sterling**
INSURANCE

WELCOME

We welcome your show as a member event of The League presented by Marshall & Sterling Insurance for the 2024 season.

All information needed to run a League event is located on our website at HITSShows.com under Show Managers. All documents are printable for your convenience.

If you have multiple horse shows, please make copies of this information for future use. Please feel free to contact our office if you have questions regarding any of the materials.

Two advertisements are required to be published either in print or in digital format in your Prize List. The League ad and the M&S Insurance Company ad are both located under Show Managers on our website.

We have two class Title Sponsors for 2024. Please note that all prize lists should include the names of these sponsored classes as follows:

1. Pyranha Children's Horse Medal (3')
2. Dover Adult Medal (3')

Be sure to forward a copy or a link to your Prize List to The League office. Having a copy on file will help us should we have any questions when processing your results.

We are pleased that your show will be part of The League's 2024 season as we look forward to the 2024 National Finals.
