SPECIAL CLASSES

USHJA OUTREACH PROGRAM

Week I: May 21-25
Week VII: August 27-31

The USHJA Outreach Program is designed to engage and connect riders, trainers and owners with the USHJA by providing the opportunity to participate in USHJA branded classes and earn points toward year-end awards, and the chance to participate in the prestigious USHJA National Championships. Classes are open to Juniors, Amateurs or Professionals on horses or ponies. No cross entry restrictions. Note: Ponies ridden by Amateurs or Professionals may not show in Pony Classes at the same show. Management reserves the right to combine classes as necessary. USEF/USHJA membership is not required to compete in these classes, and horses do not need to be microchipped, but USHJA Membership is needed for points to count toward year-end awards. Membership at the USHJA Outreach level for Riders is free; USHJA Registration for Horses is \$20 per Year, or \$75 for Life. Join at USHJA.org.

This Program will be offered Week I & Week VII only.

HITS HUDSON VALLEY **YOUNG JUMPER DEVELOPMENT PROGRAM**

Under this Program, any horse 7-Years Old or under may show in up to three “open” jumper classes at .65m-1.30m, and have the class fees waived for those classes. See details below. This is in addition to the Young Jumper 5-, 6- and 7-Year Old Jumper Classes that are already offered with a free entry fee. Horses will be eligible to receive Prize Money in classes that offer it. Special Classes, Classics, or classes restricted to Juniors, Amateurs, Child or Adult riders are not included in the program. Exception: a class shown “hors concours” will be eligible for the Program, but prize money will not be paid. Hunter and Equitation classes will not count for this program, and will not be credited.

Horses must be age verified with USEF, declare their age when Registering with USEF/USHJA at the show, or have their age proven by their FEI Passport, Breed Papers or a statement from a licensed Veterinarian on official Letterhead.

Horses must be Declared for the Young Jumper Program at the time of check-in each week, when back numbers are picked up for the show. At checkout, Exhibitors must review accounts with the Show Office for class credits. Horses will be credited for the class fees for the three lowest priced classes eligible for the program. Example: if the horse shows in three “Non-Nominated” jumper classes, and one “Nominated” jumper class, the three “Non-Nominated” classes will be credited. The Show office is not responsible for credits not issued for horses whose accounts are not closed out in the Show Office, or by email or remote method. Horses not declared for the Young Jumper program at check-in will not be eligible to have their class fees credited.

Horses will be charged for any Stalls, All Inclusive Facility Fee, USEF/USHJA Horse/Drug Fees, Nomination Fees and any other Association Fees (Showpass fees, Horse or Owner/Rider/Trainer Membership fees, etc.), any Feed/Bedding, Paddocks, RV's, Restaurant Charges, and any other Miscellaneous Fees (Shoeing, Vet, Post Entry Fee, etc.), and any entry or nominating fees for classes beyond the three eligible classes showed in.

The Young Jumper Development program is open to all competing horses aged 7 and under. Nomination Fees will not be credited.

Any questions or discrepancies not covered herein will be decided by Show Management, its decision to be final. Updates may made to this policy as needed.

It must be properly fitted with harness secured. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. Electric Golf Carts will not be permitted to plug in to any electrical outlet on the grounds.
- **Dogs must be restrained on the show grounds.** Loose dogs will be picked up and detained and the owner fined \$100. The owner may be barred from showing and expelled from the show grounds for a second offense, or for refusal to pay the fine, and will not be entitled to any refund of entry or stabling fees paid or due. Management reserves the right to call Animal Control to have an animal removed from the premises.
- **Electrical/Fire Regulations.** Electrical installation and connections must meet all state and county codes. Aisles shall be maintained clear for a minimum of six feet wide by eight feet high. No obstructions or projections shall be allowed in these aisles. No Class I Flammable Liquids such as gasoline are allowed inside the buildings. Cooking is not permitted within any stable area. Further, Management reserves the right to bar any exhibitor found to be in violation from any further participation in the horse show without recourse to any refund of entry or stabling fees paid or due.
- **Stall Customizations:** As part of HITS ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events. We kindly ask for your attention to the following points: Removal of Stall Customizations: Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, and the like must be removed. The use of such materials, especially staples, poses significant risks to the horses and the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, and in their original condition (minus the bedding). Responsibility of Competitors: It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them. Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep and animal safety, HITS will impose a fine of \$500 for stalls that are not left in good condition. This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling.
- **Damage.** Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the show grounds, and shall be billed accordingly.

HEALTH & VETERINARY

- **Equine Health Requirements will be enforced.** All horses (competing or not) that enter the grounds are required to present the Health Entry Requirements which include, Coggins, and Proof of Vaccine. All horses are subject to examination by HITS officials/designated representatives and/or state officials (collectively "officials") for determining whether such animals are, or have been infected/exposed, or are likely to become infected with an infectious or contagious disease. If after such examination, officials have reason to believe that an animal's health condition places other animals at risk, such officials, at their sole discretion, may quarantine such animal (and others that may have been infected/exposed) or, if appropriate, require that such animals be transported off the grounds. All participants agree to fully cooperate with event officials and abide by their decisions and instructions. Failure to comply shall be grounds for immediate expulsion and potential disciplinary action by organization, state/local or federal animal health officials. All exhibitors are encouraged to review the equine health entry/transport requirements of the destination state prior to entry. **Any horse with a temperature of 101.5+ must be reported to official show veterinarian. Upon veterinary examination, if diagnostic testing is deemed necessary, testing will be conducted at owner's expense. If veterinarian suspects infectious disease after inspection, the horse will be required to go to isolation or off the property.**
- **Sharps & Medical Waste** – Appropriate Sharps Containers for the disposal of used Needles will be placed in all barns and tent stabling areas, at the end of aisles or at the breezeways. Sharps must only be disposed of in these containers. Anyone found in violation of proper disposal or in vandalism or removal of any provided Sharps Container will be fined \$100 and may face further penalties deemed necessary by Show Management. See GR1210.4 for complete details.
- **Show Veterinarian** phone number will be posted at the Show Office.
- **Alcoholic Beverages** in any form may not be brought onto the show grounds.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE: The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands.
This includes good horse management, training methods, farrier and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete.
This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

Unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION, (VET REGS. APPENDIX VI): All horses and ponies for which an FEI Passport or a National Passport approved by the FEI has been issued must have the vaccination section endorsed by a veterinarian stating that it has received two injections for primary vaccination against equine influenza, given between one and three months apart. Special guidelines are applicable for events covered by the FEI Medication Control Programme (Group I & II only).

INSURANCE: All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses.
