740. \$5,000 USHJA Hunter Team Challenge**Entry Fee** \$200 + \$75 USHJA Fee*does not include respective division fee***CONDITIONS & SPECIFICATIONS**

ELIGIBILITY: Open to riders competing in the 2'-2'6" Children's Pony Hunters, 2'6" Low Child/Adult Hunters and 3' Children's/Adult Amateur Hunter divisions. There are no qualifying procedures, but riders must meet the eligibility requirements listed in the specifications. Riders must pre-enter with the horse show. Sixteen riders in each of the three sections (Children's Pony, Low Child/Adult and Children's/Adult Amateur) will be accepted on a first come, first served basis for a total of 48 riders participating in the Hunter Team Challenge. ***If the quota of 48 riders is not met, riders may enter multiple horses, but must be assigned to a different team.*** Riders who participate in the Hunter Team Challenge have an opportunity to earn bonus Zone Horse of the Year Points in their respective divisions.

The Hunter Team Challenge is held as an overlay with the first day of the respective division. Riders must enter the Division and Team Challenge to be eligible.

RIDER MEETING: To be held the day before the start of the Team Challenge.

The meeting will include an overview of the rules, scoring, and the distribution of team materials.

The Hunter Team Challenge will take place over two competitive days.

DAY ONE HTC classes will run concurrently with the horse show's regular division classes as an overlay.

DAY TWO Under saddle will be held at the start of Day Two.

Each height section will have their own under saddle class: 3' Children's and Adult Amateur, 2'6" Low Child and Adult, and Children's Pony.

FINAL ROUND: Will be held immediately following the under saddle on Day 2. All teams will return for a final Classic-style over fences round. The Final Round will receive Ribbons 1st-8th, and the highest scoring rider from the Final Round will receive a trophy. Overall HTC team award presentations to follow the individual placings from the final classic round.

TEAMS: are comprised of a minimum of three and maximum of four riders and determined by a random draw after entries close, and prior to the rider meeting. Each team will have one rider from each height section (one 3' Child or Adult, one 2'6" Child or Adult, and one 2'-2'6" Pony) until all teams possible have one rider of each section. All remaining riders will be randomly drawn to a team. A maximum of 12 total teams are possible.

SCORING: Riders will receive a numerical score 0-100 from the two over fences rounds in their regular division classes on Day One. On Day Two Riders will receive a numerical score from their respective under saddle classes. Individual's scores from those three classes will be added for an Overall score that is added to their Team's score.

Team scores are calculated by adding each team member's Overall scores. Three-member teams will double their second lowest Overall score. In each phase from Day One and the Day Two Under saddle, the lowest score will be dropped.

All riders following the under saddle on Day Two will return to the Final Round. Each rider will receive a numerical score 0-100 for their placing in the round. The highest scored rider in each Team's Final Round will count their score for the Final Team Score. All other scores will be dropped.

The Overall Team Champion is the team with the highest overall score from Day One, Day Two, and the Final Round. Overall Team Ribbons to 12th.

Please see the following page for details on the Mid-West Medal Finals and the additional Final Overlay Classes.

ADDITIONAL SPECIAL CLASS SPECIFICATIONS

\$2,500 HITS Match Race

Spring Classic II – May 17
Summertime I – July 5

Match Race. Table III, Faults Converted. 1.0m. Each knockdown and the first refusal penalized by the addition of three (3) seconds. A competitor may ride only one horse.

- Two competitors will compete against each other simultaneously over two identical courses, with each competitor timed separately. If a particular competitor finds that their opponent has withdrawn from any round, the competitor remaining in the class must complete the round alone. If one competitor enters the other competitor's course and as a result interferes with that competitor, the competitor responsible for the interference will be eliminated.
- In each round in the case of a first refusal with or without a knock-down the competitor will continue their round without jumping that obstacle or waiting until it has been rebuilt, however 3 seconds will be added to their time. The second refusal will eliminate a competitor. A competitor passing an obstacle without attempting to jump it will be eliminated.
- The competitor who has the fastest time will be qualified for the next round and so on until the two finalists meet to decide the winner. Losing competitors in corresponding rounds will be placed equal.
- If there is a dead heat between two competitors, the round must be started again.

\$2,500 Ride & Drive

Spring Spectacular II – June 14
Equifest III – August 9 presented by  **JOHN DEERE**

Table III. Faults Converted. .90m. Each team consists of a Horse/Rider Combination & a driver. Horse/Rider Combination will jump a course, and upon completion of their round by passing the finish line, will dismount, hand their horse off, and join their driver's vehicle in the passenger seat. The team will then complete the driving course in the vehicle that is marked out with cones.

Any faults incurred by knockdowns from the Horse/Rider Combination will be converted into seconds, and the first refusal will be penalized by the addition of three seconds. Second refusals will result in elimination from both portions (Riding & Driving) of the class. Faults incurred in the Driving portion of the course will be incurred by any displaced balls from the tops of the marker cones. Placings will be decided upon fewest combined faults and total time taken to complete both portions.

\$2,500 Hunter Pairs

Spring Spectacular III – June 21

A team competition with 2 horse/rider combinations competing in a 2-round hunter classic. Each team will choose which rider will go first. Both horse/rider combinations jump the first fence of the first course together. The first horse/rider combination then completes the first round and immediately following completion, the second horse/rider combination jumps the second course. On the approach to the final fence in the 2nd round, both team members will join together to jump the final fence of the 2nd round together. The judges are required to score each round separately and will award additional style points scored from 0-10 for the two fences jumped together. All scores will be combined to determine placings. A 2'6", 3'0", and a 3'6" height section will be offered. COSTUMES ARE ENCOURAGED! A special award will be given for best costume. To fill, a minimum of FIVE (5) teams must compete.

Prize Money Per Team 1st - \$750 2nd - \$625 3rd - \$375 4th - \$300 5th - \$250 6th - \$200

\$2,500 Gambler's Choice

Fall Classic – September 13

FEI Art. 270. 1.0m-1.15m. Each obstacle is valued between 10 to 120 points based on difficulty. Obstacles can be jumped in both directions and only twice to count. Any obstacle knocked down will not be rebuilt, if it is jumped again no points will be awarded. Competitors will accumulate points carried by each obstacle provided it is jumped clear. No points are awarded for an obstacle knocked down. Each competitor has 45 (minimum) to 90 seconds (maximum). During this time, rider must cross the starting line in either direction and may jump all the obstacles they wish in any order and in any direction. Sounding the horn declares the end of the round. The competitor must then cross the finish line in any direction for the time to be recorded. The competitor will then be allotted 20 seconds to jump the optional Joker Jump one time for a plus (clear) or minus (knock down) of 200 points. The competitor who obtains the greatest number of points will be the winner. In the event of a tie in points, the fastest time taken between the starting line and the finish line will be decided. In the event of a tie in points and time for first place, there will be a jump-off according to the same formula with a fixed time of 40 seconds.

This is in addition to the Young Jumper 5-, 6- and 7-Year Old Jumper Classes that are already offered with a free entry fee. Horses will be eligible to receive Prize Money in classes that offer it. Special Classes, Classics, or classes restricted to Juniors, Amateurs, Child or Adult riders are not included in the program. Exception: a class shown "hors concours" will be eligible for the Program, but prize money will not be paid. Hunter and Equitation classes will not count for this program, and will not be credited.

Horses must be age verified with USEF, declare their age when Registering with USEF/USHJA at the show, or have their age proven by their FEI Passport, Breed Papers or a statement from a licensed Veterinarian on official Letterhead.

At checkout, Exhibitors must review accounts with the Show Office for class credits. Horses will be credited for the class fees for the three lowest priced classes eligible for the program. Example: if the horse shows in three "Non-Nominated" jumper classes, and one "Nominated" jumper class, the three "Non-Nominated" classes will be credited. The Show office is not responsible for credits not issued for horses whose accounts are not closed out in the Show Office, or by email or remote method. Horses not declared for the Young Jumper program at check-in will not be eligible to have their class fees credited.

Horses will be charged for any Stalls, All Inclusive Facility Fee, USEF/USHJA Horse/Drug Fees, Nomination Fees and any other Association Fees (Showpass fees, Horse or Owner/Rider/Trainer Membership fees, etc.), any Feed/Bedding, Paddocks, RV's, Restaurant Charges, and any other Miscellaneous Fees (Shoeing, Vet, Post Entry Fee, etc.), and any entry or nominating fees for classes beyond the three eligible classes showed in.

The Young Jumper Development program is open to all competing horses aged 7 and under. Nomination Fees will not be credited.

Any questions or discrepancies not covered herein will be decided by Show Management, its decision to be final. Updates may made to this policy as needed.

As part of HITS ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events. We kindly ask for your attention to the following points: Removal of Stall Customizations: Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, and the like must be removed. The use of such materials, especially staples, poses significant risks to the horses and the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, and in their original condition (minus the bedding). Responsibility of Competitors: It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them. Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep and animal safety, HITS will impose a fine of \$500 for stalls that are not left in good condition. This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling.

LAMPLIGHT CLUB MEMBERSHIP: A great opportunity for barns to both promote and elevate their brands while supporting a positive and inclusive environment at the horse show. By joining the Lamplight Club, businesses can help HITS enhance the overall experience for exhibitors while also increasing their visibility within the horse community. A mutually beneficial way to contribute to the success and fun of the HITS experience!
