USHJA OUTREACH PROGRAM

Summer Special - July 2-6
Summer Celebration - August 6-10

The USHJA Outreach Program is designed to engage and connect riders, trainers and owners with the USHJA by providing the opportunity to participate in USHJA branded classes and earn points toward year-end awards, and the chance to participate in the prestigious USHJA National Championships. Classes are open to Juniors, Amateurs or Professionals on horses or ponies. No cross entry restrictions. Note: Ponies ridden by Amateurs or Professionals may not show in Pony Classes at the same show. Management reserves the right to combine classes as necessary. USEF/USHJA membership is not required to compete in these classes, and horses do not need to be microchipped, but USHJA Membership is needed for points to count toward year-end awards. Membership at the USHJA Outreach level for Riders is free; USHJA Registration for Horses is \$20 per Year, or \$75 for Life. Join at USHJA.org. All Inclusive Facility Fee: \$125

The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. Electric Golf Carts WILL NOT be permitted to plug into any electrical outlet on the grounds. Violation will result in the plug or charger being confiscated by show management, and/or a Fine if deemed necessary.

- **Dogs** must be restrained on the show grounds. Loose dogs will be picked up and detained and the owner fined \$100. The owner may be barred from showing and expelled from the show grounds for a second offense, or for refusal to pay the fine, and will not be entitled to any refund of entry or stabling fees paid or due. Management reserves the right to call Animal Control to have an animal removed from the premises.

- **Electrical/Fire Regulations:** Electrical installation and connections must meet all state and county codes. Aisles shall be maintained clear for a minimum of six feet wide by eight feet high. No obstructions or projections shall be allowed in these aisles. No Class I Flammable Liquids such as gasoline are allowed inside the buildings. Cooking is not permitted within any stable area. Anyone found in violation shall be subject to dismissal from further participation in the horse show without recourse. Additional appliances are not permitted within any stable area. Anyone found in violation shall be subject to confiscation of the item(s).

- **Stall Alterations are strictly forbidden:** The removal of stall doors is strictly prohibited. Any exhibitor found in violation will be issued a single warning. If violation continues, Management reserves the right to remove from the show grounds all property belonging to or under the control of said violator. Further, Management reserves the right to bar any exhibitor found to be in violation from any further participation in the Horse Show without recourse to any refund of entry or stabling fees paid or due.

- **Stall Customizations:** As part of HITS ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events. We kindly ask for your attention to the following points: Removal of Stall Customizations: Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, and the like must be removed. The use of such materials, especially staples, poses significant risks to the horses and the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, and in their original condition (minus the bedding). Responsibility of Competitors: It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them. Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep and animal safety, HITS will impose a fine of \$500 for stalls that are not left in good condition. This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling.

- **Damage:** Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the show grounds, and shall be billed accordingly.

- **Alcoholic Beverages** in any form may not be brought onto the show grounds.

PARCEL DELIVERIES - Management will not be responsible for mail or parcel deliveries made to exhibitors, vendors or others. Please make arrangements accordingly.
