CLIPMYHORSE.TV CLASSIC **QUALIFYING INFORMATION**

THE \$200,000 CLIPMYHORSE.TV HUNTER CLASSIC will be held at HITS Hudson Valley VIII, September 3-7, 2025. 18 riders will qualify by placing first, second, or third at one of the six qualifying classes listed below. The 2024 winner of the ClipMyHorse.tv Hunter Classic automatically qualifies, and will be the 19th rider. There will be no entry fee. Qualified riders can ride any horse of their choosing. Single round, traditional hunter style course with 8-12 fences set at 3'6".

To be judged as a traditional hunter class by three panels sitting at different locations with one panel judging from the ClipMyHorse.tv live stream monitor. Each judge will give a score of 0-100 and the three scores will be combined with placings determined by the highest total scores. Ribbons will be awarded for placings 1-8.

All qualifying classes will be stand-alone and will consist of a 3'6" Hunter course. To be judged by one judge who will give a score of 0-100. There will be six qualifying classes for the 2025 ClipMyHorse.tv Classic;

Ocala Holiday Classic	December 11-15, 2024
Ocala Winter Classic (Week IV)	February 4-9, 2025
Ocala Winter Celebration (Week IX)	March 11-16, 2025
HITS Hudson Valley III	June 4-8, 2025
Del Mar Summer Festival I	July 30-August 3, 2025
HITS Hudson Valley IV	June 16-20, 2025

A rider can only qualify once. If a rider who is already qualified rides in a subsequent qualifying class and places 1-3, the next placed rider in the class (4th place) will qualify for the final. If a rider places in the top three with more than one horse at a single qualifying event (i.e., places 1st and 3rd), that ride will qualify for the Final and the next placed rider (4th) in that class will also qualify for the Final.

Youth Show Jumping Foundation **de Nemethy Challenge Level 1**

“An American Jumping Style of Riding Competition”

The Youth Show Jumping Foundation (YSJF) seeks to identify, highlight, and reward Junior athletes ages 17 and Under as well as Amateurs and emerging Professional athletes ages 18-25 who have interest and desire to expand their equine knowledge as they become serious show jumping athletes at the local, regional, national, and international level.

The YSJF's de Nemethy Challenge invites athletes competing at 0.85 and 0.95 meters to compete in an American Jumping Style of Riding competition. Juniors will be judged at each height as one class. Amateurs and Professionals will be judged together in a separate class from the Juniors at each height.

Phase I is the De Nemethy Prep (flatwork and gymnastics), **Phase II** is a show jumping course conducted under Table II, and **Phase III** is a Ride-Off consisting of the top 2 Junior riders from each height and the top 2 Amateur/Professional riders from each height. The Ride-Off, is a modified show jumping course conducted under Table IV.I, Optimum Time.

CONDITIONS & SPECIFICATIONS - Fences 3'6"-4', with at least four (4) option fences 4'3" or higher per round. To be judged under the Open Numerical scoring system by two panels of one judge each. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, 1005 , Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: HorseSport.org

Horses competing in this division must have an FEI passport. Horses will be stabled in the Secured FEI Stable Area and must remain until the conclusion of the FEI division each week. For complete specifications and fees, please visit FEI.org and view the Definite Schedule.

Competition managers should now include the following reminder in all competition prize lists: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at USEF.org.

EQUINE HEALTH & ENTRY REQUIREMENTS

Protecting the health of your horse and other horses is of the utmost importance to HITS. Beginning in 2013, HITS implemented Required Biosecurity Measures to decrease the risk of introduction and/ or spread of contagious or infectious disease at its shows.

ALL HORSES MUST HAVE/PROVIDE:

HEALTH DECLARATION FORM

Trainers/authorized agents are required to complete the online Health Declaration Form 48 hours prior to arrival for all horses.

PROOF OF VACCINATION IN ACCORDANCE WITH USEF GR844 (ALL HORSES)

Via a signed statement from the attending veterinarian that the horse has been vaccinated against the following:

Within 6 months (180 days) of each show: Equine Influenza

Within 6 months (180 days) of each show: EHV 1 and EHV 4

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for that show.

HEALTH CERTIFICATE/CERTIFICATE OF VETERINARY INSPECTION & NEGATIVE COGGINS REQUIRED DATED WITHIN TWELVE MONTHS (Horses arriving from outside of CA ONLY)

The California Department of Food & Agriculture requires each horse originating from out of state to have a valid Certificate of Veterinary Inspection (Health Certificate) dated within 30 days of entry into California and evidence of a negative Equine Infectious Anemia (EIA) test performed at a United States Department of Agriculture (USDA)-approved laboratory within 12 months of entry into California.

PRESENTATION OF HEALTH REQUIREMENTS

The Equine Health Requirements are Required for all horses entering the Show Grounds both Showing and Non-Showing. These documents must be filed in the Show Office before any competition numbers will be issued. In addition, random checks for Equine Health Requirements will occur. Be sure to keep a copy of all of your horse's Equine Health Requirements in an easily accessible spot (in your tack room or tack trunk, truck or trailer) to ensure you can comply with this requirement. The results on all required papers must indicate the horse's registered (show) name.

Any horse not accompanied by these documents will be directed to the Show Veterinarian to obtain the re- quired documents and/or vaccinations, and/or will be placed in quarantined stabling until the proper documents are obtained. Any horse showing signs of fever/ illness/stress is subject to examination by HITS Officials and/or the Show Veterinarian, who may at their sole discretion, place the horse in quarantined stabling or take further action if deemed necessary.

Any horse with a temperature of 101.5+ must be reported to official show veterinarian. Upon veterinary examination, if diagnostic testing is deemed necessary, testing will be conducted at owner's expense. If veterinarian suspects infectious disease after inspection, the horse will be required to go to isolation or off the property.

See Rules and Regs for more information, and visit HITSShows.com for the most up to date requirements.

MANAGEMENT: Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of an incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by Horse Show Management-their decision to be final. Horse Show Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate or change judges and officials; to change specifications in jumper classes in order to facilitate the time schedule. Management reserves the right to combine or cancel. Management reserves the right to limit entries in a class. Refused entries will be returned.

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, HITS LLC and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

DAMAGE: Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the show grounds, and shall be billed accordingly.

ADHERENCE TO THE RULES: All individuals on the horse park property are required to adhere to the rules mentioned in the prize list or as directed by the employees at the horse park. Trainers are all responsible for employees adhering to the rules. Violations will result in expulsion from the horse park.

RV RESERVATIONS: RV Spaces must be booked through ShowManagementSystem.com, and must be booked in advance.

STALL CLEANING: Please deposit all manure at the ends of the barn aisles and NOT in the middle or in front of the stalls. If you leave anything behind in the stable area, you will be billed a minimum of \$500. If syringes are left anywhere other than the receptacles provided you will be billed \$75 per syringe. This will be strictly enforced. Trainers are encouraged to supervise their staff to avoid this fee.

STALL ALTERATIONS: As part of HITS Del Mar's ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events hosted at Del Mar Horse Park. We kindly ask for your attention to the following points: **Removal of Stall Customizations:** Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, and the like must be removed. The use of such materials, especially staples, poses significant risks to the horses and the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, and in their original condition (minus the bedding). It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them. **Fines for Non-Compliance:** In our efforts to maintain the highest standards of facility upkeep and animal safety, **HITS Del Mar will impose a fine of \$500 for stalls that are not left in good condition.** This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling. We understand that these updates may require some adjustments, and we appreciate your cooperation and commitment to creating a safe experience for all. Should you have any questions or need further clarification, please do not hesitate to contact our office. R.Sternberg@HITSShows.com
