Welcome Riders, Coaches, Sponsors, and Volunteers to the 2025 Annual CDS Junior/Young Rider Championships and the Northern Regional Adult Amateur Competition (RAAC)! We are so excited to showcase the hard work and determination of our Junior/Young Riders and our Adult Amateurs at this event.

Held annually in the Northern and Southern Regions of the California Dressage Society, the JR/YR Championships are specifically held in honor of our youngest members and were the brainchild of a CDS Volunteer of the Year Trip Harting and past manager, Mary Schrader. The CDS Junior/Young Rider Championship is the largest and longest run show of its type in the nation.

We are constantly looking to meet the needs of our junior/young rider members, including reviewing the traditional elements of a championship show environment. We offer Team competitions to bring a sports team environment to our individual sport! We offer a jog-skills test and freestyle combined with the Championship tests to create an overall level champion. We hope that our junior/young rider competitors will take advantage of these added show components to “test the waters” before moving up to the Region 7 Jr/Yr Team national competition experience.

Our CDS Junior/Young Rider programs have a long history of supporting the growth of our youth in equestrian sport. Through the Club 100 scholarship program, funds are available for every JR/YR member. Annually, there are CDS scholarships available for CDS members under 21 years, and we host two regional clinics allowing each CDS chapter to send a junior/young rider representative to an instructional clinic.

There are three annual RAAC events: one each for the Northern, Central and Southern Regions of the California Dressage Society. The RAAC is one of the most popular and successful of the CDS programs. The largest percentage of our membership is made up of adult amateurs.

While youth is the future of our sport, amateurs are the backbone. With equal dedication we strive to continue to support their participation and help them reach their individual goals. We host three amateur clinics each year, also by region, again allowing each CDS chapter to send a rider representative to an instructional clinic. These are underwritten by Linda O’Carroll Scholarship fund. Additional scholarships are available for amateur riders.

Scholarship and grant information may be found on the CDS website: [California-dressage.org](https://california-dressage.org)

To help generate some extra enjoyment, there is a RAAC competitor party Friday evening and there will be ice cream available on Friday and Saturday for EVERYONE!

While you enjoy the show, please remember to keep up to date on the daily show announcements printed and posted outside the show office each day.

Thank you to our Show Sponsors and Vendors! Thank you, Show Volunteers! Thank you, Trainers and Competitor Families!

And Good Luck to our Show Competitors!

CDS SAN DIEGO ROAD TO CHAMPIONSHIPS SHOW 2024

find out more about dressage ... join the california dressage society

What is the California Dressage Society?

It is an organization whose purpose is to foster an interest among horsemen in Dressage. The program of the Society is educational, designed primarily to offer a framework in which individuals can progress with the schooling of themselves and their horses.

How does one foster an interest among horsemen in dressage? Since dressage is a personal challenge, to initiate a real understanding, a person must start with only a mere inkling of what it might be and must follow with an insatiable desire and definite pursuit to find out what it really is.

CDS is an opportunity - to share, to experience, to learn and to contribute. But the Society is by its very nature, limited, for it is a composite venture into a highly individualized world. The society does open the door. But it is the individual who must take the step.

What does the Society offer?

Educational activities on a statewide basis includes Riding Seminars, Instructor Seminars, National Symposiums and Judges' Forums. The local chapters sponsor clinics, competitions, films, discussion and informal schooling sessions.

Dressage Letters, the monthly publication, offers educational literature ranging from book reviews to commentary by notable horsemen along with a complete calendar of all CDS events.

The CDS Omnibus, yearly publication, offers dressage show premiums and entry forms for your convenience in planning and entering shows for the year.

RAAC Regional Adult Amateur Competitions for Amateurs to compete in Novice or Elite Divisions within their Region.
