WHEN AND WHERE ARE THE NATIONAL FINALS HELD?

The National Finals will be held September 9-13, 2026, at HITS Hudson Valley, Saugerties, New York.

WHAT IS THE QUALIFYING PERIOD FOR THE FINALS?

The qualifying period for 2025-2026 is August 25, 2025 – August 26, 2026.

HOW DO EXHIBITORS QUALIFY FOR THE FINALS?

Hunters and Jumpers:

Horses will qualify based on points earned in their division during the qualifying period. A horse's points

will be recorded only if the rider of record is a current League Member. A horse may accrue points in any division for which it is eligible, and may accrue points in multiple divisions, with multiple riders, provided the rider of record is a current League Member.

Equitation:

Points follow the rider. Riders must be members for their points to count.

NATIONAL & ZONE POINT STANDINGS: Riders and horses also accumulate points toward national AND, new in 2025, zone point standings. Top 10 riders/horses will receive season end ribbons. Points for national and zone rankings are accumulated in the same manner as the qualification process for National Finals.

For further clarity on zone standings, The League presented by Marshall & Sterling utilizes the zones as defined by USEF and USHJA. League member riders earn points for their respective zone. For those classes in which horses accumulate points, zone points will be attributed to the League member rider associated with the horse.

HOW ARE POINTS CALCULATED?

Awarded to the horse in Hunter and Jumper divisions, provided the rider is a League Member. Awarded to the rider in Equitation divisions.

Points will be awarded to sixth place in each division in the same manner as Hunter Championships (i.e.; 10, 6, 4, 2, 1, ½). Points will be awarded on this scale regardless of the number of entries in the class. Points will be awarded according to the ribbon won. Bonus Points will be awarded to the Champion (10 pts.) and Reserve Champion (6 pts.) in each Hunter and Jumper division. Only horses shown by Member Riders will have their points recorded.

DO ALL EXHIBITORS NEED TO BECOME MEMBERS OF THE LEAGUE?

Riders must be members of The League presented by Marshall & Sterling Insurance and USEF for points to count. Points will not be retroactive. Non-members may compete but will not earn points.

HOW DOES A HORSE SHOW BECOME A MEMBER OF THE LEAGUE?

Show managers must complete a Show Application and Date Form to apply to The League presented by Marshall & Sterling Insurance. Applications must be made at least 30 days before each show.

All class names must include "League" or "M&S" in Results files in order to be processed.

The League will be responsible for determining membership of riders for the purpose of recording points – the horse show does not need to separate members from non-members.

Results submitted via mail or fax will not be processed. Results must include the names of Horse, Owner, Rider; their Addresses, and Prize Money Won, where applicable. If classes are combined (i.e., Children's/Adult), results must indicate in which section points are to be recorded.

WHAT ARE THE BENEFITS OF BEING A MEMBER HORSE SHOW?

Hunter/Jumper/Equitation exhibitors are goal oriented. The opportunity to qualify to compete at an exclusive Finals event will drive an increase in exhibitor participation at member horse shows.

Horse shows will be assured of continued membership in The League if they renew their membership each season, or upon joining as a new member.

Member horse shows will be listed on the website as a League-Sanctioned Member Event on our "Upcoming Show Schedule" and will be highlighted on Social Media platforms throughout the season.

Member horse shows will have access to an updated mailing list of League members by zone upon request.
