All questions not covered in these Rules and Regulations shall be decided by Horse Show Management-their decision to be final. Horse Show Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate or change judges and officials; to change specifications in jumper classes in order to facilitate the time schedule. Management reserves the right to combine or cancel. Management reserves the right to limit entries in a class. Refused entries will be returned.

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, HITS LLC and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

DAMAGE: Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the show grounds, and shall be billed accordingly.

ADHERENCE TO THE RULES: All individuals on the horse park property are required to adhere to the rules mentioned in the prize list or as directed by the employees at the horse park. Trainers are all responsible for employees adhering to the rules. Violations will result in expulsion from the horse park.

GOVERNING LAW & VENUE: Any and all disputes related to or arising from HITS' management and/or operation of its horse shows shall be governed by the laws of the State of New York without giving reference to New York's conflict of laws principles. Any disputes that cannot be resolved by the parties shall first be subject to a mediation with a New York chosen mediator. If mediation fails, the parties agree to present to arbitration at HITS' discretion under the American Arbitration Association, and if not Arbitrated, subject to litigation solely in the Courts of Ulster County New York. The parties agree the time limit to object to horse show charges shall be thirty days from the close of the horse show for the week at issue. Any other claims must be brought within one year.

HITS SOCIAL MEDIA POLICY: HITS encourages positivity in the use of social media platforms and urges persons posting information about HITS, its management, shows, exhibitors, officials, equine athletes, and others to exercise good judgement and think about the potential consequences of their posts and interactions on social media platforms. We urge those using social media to refrain from making derogatory, offensive, inflammatory, or false comments about other athletes, trainers, HITS and its management, our equine athletes, USEF, or any individuals associated with our HITS horse shows. HITS reserves the right to remove third-party content from its social media platforms that violates its social media policy and in extenuating circumstances may block a user from HITS social media sites for repeated offenses of its policy.

AUTHORIZATION TO SHARE EMAIL, CONTACT INFORMATION WITH HITS PARTNERS & HITS RELATED ENTITIES By signing the online entry, I expressly authorize HITS, LLC to collect and share my email address and other contact information provided on the entry blank with HITS Partners and HITS related entities for purposes of sending me periodic updates, product information, and promotional offers via email. I understand that my email address will be kept confidential and will not be shared or sold to any other third parties without my explicit consent. STALL CLEANING: Please deposit all manure at the ends of the barn aisles and NOT in the middle or in front of the stalls. If you leave anything behind in the stable area, you will be billed a minimum of \$500. If syringes are left anywhere other than the receptacles provided you will be billed \$75 per syringe. This will be strictly enforced. Trainers are encouraged to supervise their staff to avoid this fee.

STALL ALTERATIONS: As part of HITS Del Mar's ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events hosted at Del Mar Horse Park. We kindly ask for your attention to the following points: **Removal of Stall Customizations:** Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, and the like must be removed. The use of such materials, especially staples, poses significant risks to the horses and the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, and in their original condition (minus the bedding). It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them. Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep and animal safety, **HITS Del Mar will impose a fine of \$500 for stalls that are not left in good condition.** This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling. We understand that these updates may require some adjustments, and we appreciate your cooperation and commitment to creating a safe experience for all. Should you have any questions or need further clarification, please do not hesitate to contact our office. DelMarOffice@HITSShows.com

For the first offense the trainer/owner will be notified as well as the appropriate association.
