WEEK IX

2026 ARION EQUITATION CHAMPIONSHIP SPECIFICATIONS

- **The Arion Equitation Championship** class is open to Junior & Young riders in good standing with USEF. Only one rider per horse and the same horse must be used for all phases. A substitute horse may be used if the change of horse happens prior to Round 1. Trainers are permitted to assist in schooling, including walking the course with their riders.

- **FORMAT:** The Championship Class consists of two Rounds. Each round will be scored using the open numeric system. Scores from Round 1 and Round 2 will be added together. If there is more than one panel for Rounds 1 and 2, the rider's score for the Round will be the total of both panels. The Top 4 riders and any rider whose total score from Rounds 1 and 2 is within 3 points of the leader will be subject to mandatory additional testing (maximum of 8). Judges shall determine the Additional Testing requirements using USEF Tests 1-23 and 2 or more tests must be incorporated into the Additional Testing phase. Riders will be tested in reverse order (low score to high score). Each rider in the testing phase will be given a numerical score (not announced until the awards), which will be added to their total score from Rounds 1 and 2. All phases count equally. If more than one panel of judges is used, the judges will sit together for the additional testing phase.

ROUND 1: Each rider will compete individually over an equitation-style course of jumps not to exceed 3'6" and must include 2 changes of direction after the first jump and include a combination. The course must also include at least 3 of the following: a bending line, a narrow jump, a roll-back turn, a fence at the end of the ring, a long approach to a single, or an option jump. Course may include a Liverpool as part of an option jump. Emphasis will be placed in riding style, technique, accuracy and smoothness in completing the course.

ROUND 2: Each rider will compete individually over a gymnastic-style course of jumps not to exceed 3'6". This class will be jumped under traditional equitation standards. In addition, two or more USEF Tests (choosing from 2,8,10,12,16,17,18, 20) must be included in the course.

- **SCORING:** For Round 1 and Round 2, two judges sitting together or 2 panels of two judges each who will sit apart and use the open numeric system for scoring. If there is more than one panel for Rounds 1 and 2, the rider's score for the Round will be the total of both panels. Riders' scores will be added together from Rounds 1 and 2 to determine the Top 4 and any additional riders that would be required to test. 2 Refusals will be cause for elimination. A rider who receives a zero in any round is not eliminated from overall consideration.

- **TIES:** For competitors involved in additional testing, overall ties from Round 1 and 2 will be broken by the judges. In the event of an overall tie for riders not included in the work-off, the rider with the highest score in Round 2 will receive the higher overall placing.

- **SCHOOLING RULES:** 30 minutes prior to the start of this class, riders may only school in the designated schooling area for this Championship. Any conflicts should be discussed with the Schooling Supervisor prior to the start of the Round.

- The Schooling Rules for all equitation classes will follow USEF Jumper Schooling rules (see JP Appendix A) Except that Swedish Oxers (max 12-inch difference), ground lines on both sides of an oxer, tarps, coolers, and liverpools are acceptable. Flower boxes and similar items such as spongy rails may be used but only in conventional manner using correct distances.

- All schooling items must be present in the schooling area for anyone to use at least 30 minutes prior to the start of the class and remain until the end of the class. Jumps in the schooling area must be flagged and the flags may be changed.

- Additional schooling will be permitted for those involved in any additional testing.

- **ORDER OF GO:** First Round order of go will be drawn. Competitors will return for Round 2 in reverse order. (Low score to high score.)

- **AWARDS:** Overall ribbons and awards will be given to 12th place. Awards will be presented after the additional work-off. Riders are required to be mounted for the awards. Special awards will be given to the top three finishers. The winner of the class will be awarded an Arion Saddle.

- **EQUIPMENT:** Tack allowed per USEF EQ 106.5a. 1.2.3. Change of tack is permissible between phases.

\$300,000 3'6" OPEN CLIPMYHORSE.TV HUNTER CLASSIC

All qualifying classes will be stand-alone and will consist of a 3'6" hunter course and be judged by a single judge on a score of 1-100. Riders may enter more than one horse in the qualifying events. There must be at least six entries in a qualifying event for it to count for qualifying for the Final. A rider can only qualify once. If a rider who is already qualified rides in a subsequent qualifying class and places 1-3, the next placed unqualified rider in the class (4th place, etc) will qualify for the Final. If a rider places in the top three with more than one horse at a single qualifying event (i.e., places 1st and 3rd), that rider will qualify for the Final and the next placed unqualified rider (4th or 5th, etc) in that class will also qualify for the Final.

24 riders will qualify by placing first, second or third at one of the eight qualifying classes listed below. The 2025 winner of the ClipMyHorse.TV Hunter Classic automatically qualifies, and will be the 25th qualified rider.

NEW

\$50,000 3' JUNIOR RIDER CLIPMYHORSE.TV HUNTER CLASSIC

\$50,000 3' AMATEUR RIDER CLIPMYHORSE.TV HUNTER CLASSIC

Qualifying classes are open to all junior and amateur riders who pay the \$250 one-time annual nomination fee and enter the class. The entry fee for each qualifying class will be \$50. All qualifying classes will be an overlay with the 3' Adult or 3' Child Classic held at the designated qualifying show and will consist of the score from the first round only of the Classic. There must be at least six entries in each overlay class for it to count for qualifying for the Final. Riders may enter more than one horse in a qualifying class, but will receive qualifying points only for their highest placed horse in the class. Each rider can use their points from up to four of the eight qualifying classes. Restrictions on a rider jumping higher heights at the show will follow that show's Zone rules for the 3' Adult and 3' Child Classics.

The top 20 Junior Riders and top 20 Amateur Riders based on the rider's cumulative points from their best four qualifying classes will qualify to ride in the Finals. Riders with tied points will all qualify. If a qualified rider does not enter the Final, Management has the option to replace the rider with the next highest placing rider to keep the Final at 20 riders. In year two (2027) and future years, the prior year's winner of the Junior Rider and winner of the Amateur Rider Finals will automatically qualify, making 21 riders in each of the Finals (more if tied).

All horses are subject to examination by HITS officials/designated representatives and/or state officials (collectively "officials") for determining whether such animals are, or have been infected/exposed, or are likely to become infected with an infectious or contagious disease. If after such

examination, officials have reason to believe that an animal's health condition places other animals at risk, such officials, at their sole discretion, may quarantine such animal (and others that may have been infected/exposed) or, if appropriate, require that such animals be transported off the grounds. All participants agree to fully cooperate with event officials and abide by their decisions and instructions. Failure to comply shall be grounds for immediate expulsion and potential disciplinary action by organization, state/local or federal animal health officials. All exhibitors are encouraged to review the equine health entry/transport requirements of the destination state prior to entry. Additional information may be obtained from the Florida Department of Agriculture & Consumer Services at 850.488.3022. Any horse with a temperature of 101.5+ must be reported to official show veterinarian. Upon veterinary examination, if diagnostic testing is deemed necessary, testing will be conducted at owner's expense. If veterinarian suspects infectious disease after inspection, the horse will be required to go to isolation or off the property.

- **Accidents Involving Competitors.** GR1317. In the event of a head injury due to a fall/accident at a licensed competition, the competitor may be prohibited from further competition until released by medical personnel. In some cases, the competitor may not return to competition without a signed release from a licensed medical professional. The competitor may be placed on suspension by USEF until this criteria is met. Competitors are advised to familiarize themselves with this new rule.
- **Protective Headgear:** It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions in all Hunter, Jumper and Hunt Seat Equitation classes, when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee and Licensed Official are not responsible for checking headgear worn for such compliance. GR 801.2.7.
- **Motorized Vehicles:** Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.
- **Electric Golf Carts** WILL NOT be permitted to plug into any electrical outlet on the grounds. Violation will result in the plug or charger being confiscated by show management, and/or a Fine if deemed necessary.
- **Dogs must be restrained on the Showgrounds.** Loose dogs will be picked up and detained and the owner fined \$100. The owner may be barred from showing and expelled from the Showgrounds for a second offense, or for refusal to pay the fine, and will not be entitled to any refund of entry or stabling fees paid or due. Management reserves the right to call Animal Control to have an animal removed from the premises.
- **Electrical/Fire Regulations:** Electrical installation and connections must meet all state and county codes. Aisles shall be maintained clear for a minimum of six feet wide by eight feet high. No obstructions or projections shall be allowed in these aisles. No Class I Flammable Liquids such as gasoline are allowed inside the buildings. Cooking is not permitted within any stable area. Anyone found in violation shall be subject to dismissal from further participation in the Horse Show without recourse. Additional appliances are not permitted within any stable area. Anyone found in violation shall be subject to confiscation of the item(s), and/or a Fine if deemed necessary.
- **Stall Alterations are strictly forbidden.** The removal of stall tent side poles, side ropes and/or stakes/anchors is strictly prohibited. Any exhibitor found in violation will be issued a single warning. If violation continues, Management reserves the right to remove from the Showgrounds all property belonging to or under the control of said violator. Further, Management reserves the right to bar any exhibitor found to be in violation from any further participation in the Horse Show without recourse to any refund of entry or stabling fees paid or due.
- **Stall Customizations:** As part of HITS ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events. We kindly ask for your attention to the following points: Removal of Stall Customizations: Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, and the like must be removed. The use of such materials, especially staples, poses significant risks to the horses and the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, and in their original condition (minus the bedding). Responsibility of Competitors: It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them. Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep and animal safety, HITS will impose a fine of \$500 for stalls that are not left in good condition. This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling.
- **Damage:** Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the Showgrounds, and shall be billed accordingly.
- **Alcoholic Beverages** in any form may not be brought onto the Showgrounds.
