I. MEMBERSHIP REQUIREMENTS FOR PARTICIPATION

- b. The individual owner(s) of record of the horse must be a Competing member in good standing of the Federation and USHJA at the time of qualification and on or before the first day of the Championship through the conclusion of the Championship.
- c. Ownership of the horse may change during the qualifying period and up to the close of entries for the Championships, so long as the new owner(s) meets the above requirements.
- d. The rider of the horse must be a Competing member in good standing of the Federation and USHJA at the time of qualification and on or before the first day of the Championship through the conclusion of the Championship.
- e. The rider of the horse must be a junior rider as defined in GR128 to earn qualifying results and compete at the championships. The junior rider that qualifies the horse may differ from the one that rides the horse at the Championships.
- f. Horses must have a valid microchip in accordance with HU104.

 - Horses that receive a re-measurement after achieving a qualification but before the Championships, are subject to forfeiture of qualification for the Championships in accordance with HU143.2c., if the re-measurement results in the horse being assigned to a different section.
 - If a horse with no measurement card at the time of qualification later receives a measurement card that results in it being assigned to a different section from the one in which it qualified, it will be subject to forfeiture of qualification for the Championships in accordance with HU143.2c.
 - Horses that receive a re-measurement may re-qualify in their newly assigned height section.
- h. The Championships may be split into two Championships; East & West Coast. III. ENTRY RESTRICTIONS

- a. Each junior rider may show one large and one small entry on both coasts in the same year.
- b. The junior rider may compete at 3'3" or 3'6" but may not compete at both heights in one Championship. The junior rider may compete in the 3'3" at one Championship, and 3'6" at the other Championship in the same year (see HU143.7 for additional restrictions).
- c. Riders competing in the 3'3" sections must not have competed at 1.30m or above during the qualifying period and through the conclusion of the Championship.

IV. PHASES

- a. The Championship will be conducted in three phases: A single Classic Round to count 40%, Under Saddle to count 20%, and a single Handy Hunter Round to count 40%.
- b. To determine the winner, scores will be calculated based on the total of all three phases after the percentages of each phase have been calculated.
 - i. **Classic Round.** The course will include at least ten obstacles, have two changes of direction, and at least one combination. Emphasis will be placed on "brilliance" for this round.
 - a. In the Classic Round each entry will be given a numerical score of 0-100 from each judge panel based on its performance.
 - ii. **Under Saddle.** To be shown at a walk, trot, and canter both ways of the ring. Horses will be asked to hand gallop one direction. Light contact with the horse's mouth is required. The Under Saddle is Judged on performance and soundness. Manners and suitability to be emphasized.
 - a. In the Under Saddle phase, horses will be judged in groups of twelve or fewer. Each entry will be judged and given a score of 0-100 from each judge based on its performance in the group.
 - iii. **Handy Hunter.** Obstacles should simulate those found in hunt country. The course will have at least two changes of direction and at least one in and out as well as three of the following: hand gallop a jump, bending line, rollback turn, fence at the end of the ring, open a gate while mounted or trot over one obstacle. Judges will emphasize promptness and tight turns with precedence being given in that order. Handiness is defined as time and ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Hand Gallop is defined as a significant increase in pace without sacrificing performance or style.
 - a. In the Handy Hunter each entry will be given a numerical score of 0-100 from each judge panel based on its performance.
- b. The order of go will be created based on scores from the Classic Round, or the combined scores from both the Classic Round and Under Saddle phases. The order of go may not be changed without the approval of the Show Committee.
 - iv. **Soundness.** All horses are required to trot a circle on a loose rein at the end of each over fences performance. Horses may be asked to return to the ring and trot another circle at the judge's discretion.
 - v. The same junior rider is required to show an entry in all phases of the Championships but need not be the same one that rode the horse in the qualifying event. If a rider is unable to continue to compete, the rider and/or trainer must request permission for a change of rider from the Show Committee. The decision of the Show Committee is final, binding, and not subject to further appeal of any kind.
 - vi. Riders will be eliminated after two cumulative refusals in the Classic Round and Handy Hunter phases.
 - vii. If a horse/rider combination does not complete a phase or is eliminated from that phase, the horse will receive a score of "0" for that phase but may continue to compete in the remaining phases of the Championship. A horse with a total score of "0" for a phase is not eligible for an award for that phase but is eligible for an overall award.

V. JUDGING

a. East Coast Championships: It is required that a minimum of three judges officiate each phase simultaneously but independently of each other. It is recommended that a minimum of three panels of two judges officiate the Classic Round and Handy Hunter phases simultaneously but independently of each other, and three individual judges officiate the Under Saddle phase simultaneously but independently of each other. Each judge or panel will give every entry a score for each phase.

b. West Coast Championships: It is required that a minimum of three judges officiate each phase simultaneously but independently of each other. It is recommended that a minimum of two panels of two judges officiate the Classic Round and Handy Hunter phases simultaneously but independently of each other, and two individual judges officiate the Under Saddle phase simultaneously but independently of each other. Each judge or panel will give every entry a score for each phase.

c. Prior to the Under Saddle and Handy Hunter, each entry's score in the previous phase will be totaled and announced. During the over fences phases, the Open Numerical Scoring System is used. After each entry completes the course, each judge's score for the round is immediately shown or announced. The total overall score for each entry is then calculated as soon as it has completed the last phase.

i. Ties in the Classic Round, Under Saddle, and Handy Hunter phases will be broken based on the score of the judge that is designated as judge number one for each phase of the Championship, any further ties to be broken by the score of the judge that is designated as judge 2, and further ties to be broken by the score of the judge that is designated as judge 3. If a tie still exists for the overall standings, the score from the Classic Round will break such a tie.

FEDERATION ENTRY AGREEMENT

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulteur or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of the United States Equestrian Federation, Inc. (the "Federation") and the local rules of the Competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cable casts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR9074. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulteur or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity & involves inherent risks that may cause serious injury & in some cases death because of the unpredictable nature & irrational behavior of horses, regardless of their training & past performance & expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules & Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose & cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic & run into objects or persons or other horses. The Show Ground Facilities are bordered by highways / roads & thus noise from traffic & other sources occurs that can & will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers & heavy equipment all of which may spook a horse. The above warnings & risks are meant as an example of some of the risks that are inherent & may be encountered but it is agreed this is not an exhaustive list & there are numerous additional conditions & / or events that may result in injuries while participating in the Competition & / or being present on the Show Ground Facility.

Stabling Inquiries - DelMarOffice@HITSShows.com

RV RESERVATIONS: Contact DelMarRV@HITSShows.com. RV space reservations must be received in advance to guarantee a space.

STALL CLEANING: Please deposit all manure at the ends of the barn aisles & NOT in the middle or in front of the stalls. If you leave anything behind in the stable area, you will be billed a minimum of \$500. If syringes are left anywhere other than the receptacles provided you will be billed \$75 per syringe. This will be strictly enforced. Trainers are encouraged to supervise their staff to avoid this fee.

STALL ALTERATIONS: As part of HITS Del Mar's ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events hosted at Del Mar Horse Park. We kindly ask for your attention to the following points: **Removal of Stall Customizations:** Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, & the like must be removed. The use of such materials, especially staples, poses significant risks to the horses & the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, & in their original condition (minus the bedding). It is the competitors' responsibility to ensure that their staff is fully informed of & complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes & understands the importance of adhering to them. Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep & animal safety, **HITS Del Mar will impose a fine of \$500 for stalls that are not left in good condition.** This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean & safe environment for everyone, a form of pay-it-forward to all who utilize our stabling. We understand that these updates may require some adjustments, & we appreciate your cooperation & commitment to creating a safe experience for all. Should you have any questions or need further clarification, please do not hesitate to contact our office. DelMarOffice@HITSShows.com

LAYOVER: Stalls will be available for laying over between shows. Please contact Del Mar Horsepark for availability, pricing & reservations.
