DEL MAR NATIONAL HORSE SHOW WELCOME

Dear Exhibitors, Spectators, Vendors, and Partners,

It is with great anticipation that we welcome you to the 77th Annual Del Mar National Horse Show Dressage Week! We are proud to continue the traditions of this nationally recognized event in celebration of excellence in equestrian sports and decades of heritage.

The Del Mar National is designated as a USEF Heritage Competition, an honor reserved for competitions with long-term establishment that have played a key role in advancing the sport by promoting equestrian values of sportsmanship and competition within the community. HITS Del Mar has the privilege of continuing the legacy of the Del Mar National Horse Show at our Horsepark venue.

The 2026 Del Mar National Horse Show is a CDI 3* internationally rated competition allowing riders and horses a vital platform to progress towards the Grand Prix National Champions and in turn a chance on the World Equestrian Games Team going to Aachen, Germany. It is also one of the prestigious USEF Open Dressage qualifiers.

The series of qualifiers will culminate in the US OPEN \$250,000 Final in November 2026 in Thermal CA. The National part of this competition is a USEF Level 3 Qualifier, also helping riders towards their goals of National Championships and awards. In 2025, we saw the return of the beloved Sweepstakes Classes where national riders get the opportunity to win cash! We hope to see more entries in this division separated event section.

To our exhibitors, thank you for bringing your talent, hard work, and dedication to the dressage arena. To our partners and spectators, thank you for your support and appreciation for this sport. To our vendors, your contributions enhance the experience and create an engaging environment for all to enjoy!

Thank you for being a part of Dressage Week at the 77th Annual Del Mar National Horse Show. Together, let's create an event to remember!

Warm regards,
Kim Keenan Stordahl & Cameron Wyman

DEL MAR NATIONAL DRESSAGE HORSE SHOW **SPECIAL RIDER AWARDS & PERPETUAL TROPHIES**

RUBINO BELLISSIMO TROPHY

Presented in the CDI Intermediate I Freestyle in memory of the great Hanoverian stallion Rubino Bellissimo (1996-2014)

This exquisite Murano Glass sculpture was first awarded in 2015, donated by the San Diego Saddle Club, Holly Bergay, and Violet Jen of Wonderful Sport Horses.

It honors a remarkable stallion, owned by Jen and ridden by Bergay. After national recognition in both able-bodied and Para competitions, he gave his final performance at the 2014 Del Mar National in Saturday night's Intermediaire Freestyle. Sadly, the stallion died of a rare form of cancer during the 2014 National Championships.

THE HAP HANSEN PERPETUAL TROPHY

Donated by Richard & Jane Brown

The “Juniperus” (horse head sculpture in bronze), became the Hap Hansen Perpetual Trophy, in honor of Hansen, the horse’s owner and rider. In Hap’s legendary career, he has brilliantly competed in all four disciplines, Hunt Seat, Western, Saddle Seat & Dressage.

DEL MAR NATIONAL
Horse Show

Hansen and Juniperus were successful fixtures on Grand Prix Jumping circuit, winning multiple National and International titles. Hansen, still on the jumper circuit has over 100 total Grand Prix victories.

Testing the theory that a great athlete is a great athlete, he prepared and competed in the Intermediate I Freestyle at Del Mar and won. The trophy, an exquisite bronze head of that mount, was created by the renowned Equine artist Donald R. Schwartz (1931-2010) and donated by Richard and Jane Brown, owners of multiple National and International Dressage Champions, in honor of such a grand crossover achievement.

1. Take two daily temperature readings for every Horse that will be present at an FEI Event for the three days leading up to the day of arrival and enter these recordings in the FEI HorseApp. For clarification, the three days prior to your arrival at the FEI Event are calculated as per this example: If you plan to arrive at the Event on the Thursday, you will have to enter the temperatures for the three preceding days, which are Monday, Tuesday and Wednesday. To avoid violating the Horse Health Requirements, temperatures should be entered on a regular/daily basis
2. Fill in a Horse Health FEI Self-Certification form for all Horses attending an FEI Event. To be filled in and submitted via the FEI HorseApp the day before or the day of arrival at an FEI Event
3. Take the temperature of each Horse twice a day at the FEI Event using your own thermometer and record the measurements directly in the FEI HorseApp.

Access to the FEI HorseApp is also available for your Grooms and Support Personnel so they can also enter the daily temperature recordings of your Horses. They can connect to the FEI HorseApp with their FEI ID number. If they do not yet have a FEI ID number they can create one here.

Non-compliance with the FEI Veterinary Regulations and Horse Health Requirements will result in sanctions. These sanctions are already in force for Horses competing at FEI Events in Mainland Europe and will be introduced worldwide in due course. Support & Guidelines All information regarding the FEI HorseApp can be found here. You will need to log in to the FEI HorseApp with your FEI ID number and password.

Guidelines on how to use the FEI HorseApp to fulfil the Horse Health Requirements can be found here. The Horse Health Requirements can be found here, with a specific section for Athletes and Grooms. If you have any questions or require any assistance, please don't hesitate to contact us by email at USERSupport@FEI.org

The Degree of Difficulty (DOD) – Floorplan for the Grand Prix Freestyle will be used at both Dressage Opener and Dressage Affaire. **Athletes are required to login using their own credentials on to <http://DressageFreestyle.FEI.org> to create or assign their Grand Prix Freestyle floorplan at the latest 2 hours prior to the horse inspection.**

Prix Caprilli Test #2 (First Level)

Purpose: For horses with jumping experience showing First Level Dressage or above - maximum height of fences 2'6". It is understood that in the working gaits, a jumping horse is not expected to be as round on the bit as a competing dressage horse. The horse must softly accept the bit and may show more "roundness" in the parts of the tests separate from the jumps. Unless otherwise noted, trot work may be done posting or sitting. When allowed to change leads the horse may do a flying change or change through the trot. The quality of the change is what matters. Test may be called. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced the bell will be rung again telling the rider to continue where he stopped.

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/ roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

WARNING: Under the Equine Activity Liability Act, each participant who participates in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to person or property resulting from the risk of equine activities.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, West Palms Event Management, HITS LLC and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

GOVERNING LAW & VENUE: Any and all disputes related to or arising from HITS' management and/or operation of its horse shows shall be governed by the laws of the State of New York without giving reference to New York's conflict of laws principles. Any disputes that cannot be resolved by the parties shall first be subject to a mediation with a New York chosen mediator. If mediation fails, the parties agree to present to arbitration at HITS' discretion under the American Arbitration Association, and if not Arbitrated, subject to litigation solely in the Courts of Ulster County New York. The parties agree the time limit to object to horse show charges shall be thirty days from the close of the horse show for the week at issue. Any other claims must be brought within one year.

RESPONSIBILITY OF PAYMENT OF SERVICES & SUPPLIES: All owners and exhibitors will be held responsible for any damage incurred by them, their animals, agents, or employees, to stalls, buildings and other properties on the Show grounds and shall be billed accordingly. Any exhibitor not meeting their obligations to the official Show Veterinarian, farrier and feed/bedding vendor will be termed an undesirable exhibitor and entries from that exhibitor may not be accepted at subsequent shows. Exhibitors should exercise extreme caution before medicating their horses and should be aware of the US EQUESTRIAN FEDERATION and FEI Anti-Doping rules governing drugs and medications.

A trainer is defined as any adult who has responsibility for the horse on the competition grounds and must sign the entry form.

IMPORTANT NOTICE TO ALL AFFECTED PARTIES: Third parties may come upon the property or enter the facilities where any herein described or listed event will occur; provided, that this is a license to enter the premises, for the purpose of observing or participating in the event, but not otherwise, and such license to any individual is subject to revocation by the owner, lessee or organizer, and entry for any purpose other than granted herein, shall be deemed criminal trespass and subject to appropriate legal proceedings.

SHARPS DISPOSAL: Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$500 for improper disposal of needles or other sharp disposable instruments. Containers are located at the end of each barn aisle and within center aisles when center aisles are present within the barns.

DOGS: Facility rules require that dogs must be on a leash (not to exceed 6 feet in length) or suitably restrained in a tack stall/cage etc. Loose/left animals in vehicles in distress, etc. can and will be removed from the grounds at the owner's expense. Loose dogs will be picked up and detained and the owner fined \$100.

Motorized Vehicle – GR1301.7 & GR 1301.8: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Protective headgear –DR120.1.1 (GR801): Protective headgear is defined as a riding helmet, which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse at any time on the competition grounds, including non-competing riders, riders on non-competing horses, mounted participants in exhibition classes, and those competing in all classes and tests, including Para Dressage tests, must wear protective headgear as defined by this rule and otherwise in compliance with GR801. Emergency Veterinary Treatment of the Horse: In the event of an acute and serious injury to or illness of a horse on competition grounds when the owner or trainer of the horse or agent of the owner is not present, after reasonable effort to contact that individual has been made, competition management, in consultation with a licensed equine veterinarian, may authorize the provision of emergency veterinary treatment of the horse. If competition management so authorizes treatment under the provisions of this rule, competition management and veterinarian are not liable for any resulting costs, damages, losses, claims, or actions arising directly or indirectly from the treatment of the horse.
