Dear Exhibitors, Sponsors, Vendors, and Supporters,

We are delighted to welcome you back to Del Mar Horsepark for another exciting weekend in our dressage show series and this USEF Level 2 competition.

We are proud of the success of our shows so far this season and are grateful for the continued support of our exhibitors, sponsors, volunteers, and officials. Together, we are able to offer professionally run competitions at a facility that provides exceptional footing and stabling to help keep our equine partners safe and healthy. In 2026, we remain committed to enhancing the overall experience at the park for competitors, horses, and spectators alike.

We are especially excited to announce that our show has joined the Nutrena/USDF Breeders Championship Series! Qualifying classes will be offered on both Saturday and Sunday, with the Championship Finals taking place on Sunday. To accommodate both competitions, the Breed Show will be held on the west side of the facility, while the National Show will be located on the east side. We look forward to welcoming breeders, handlers, and exhibitors as we expand the opportunities available at Del Mar Horsepark.

Thank you for joining us. We wish you safe rides, successful performances, and an enjoyable weekend, and we look forward to seeing you in the show ring!

Warm regards,

Kim Keenan Stordahl

HERE ARE A FEW REMINDERS ABOUT THE BEST WAYS YOU CAN KEEP YOUR HORSES SAFE & HEALTHY

- **Temperature Monitoring:** Twice daily temperature monitoring is highly encouraged while on the competition grounds and management will provide temp logs upon request. In the event of elevated disease risk or an infectious disease incursion, management will notify competitors of mandatory twice daily temperature monitoring and recording (ideally 12 hours apart and prior to any temperature-reducing medication (i.e. Bute or Banamine). Temperature logs will be provided for placement on the stall door for recording temperatures.
 - **Limit Horse-to-Horse Contact:** Direct contact between horses from different home facilities should be minimized, and horse-to-human contact between facilities should be limited.
 - **Avoid Shared Equipment or Water Sources.** Do not share equipment between horses, and do not use communal water sources. Make sure horses have their own buckets, feed pans, grooming equipment, and rags, and limit or eliminate other equipment that touches more than one horse. Fill water buckets without submerging the hose in the buckets.
 - **Reporting a Febrile Horse:** Any horse with a temperature over 101.5F is required to be reported immediately to the official veterinarian, who will examine the horse to determine the next steps, and to horse show management. Any horse suspected of having an infectious disease will be required to immediately enter isolation stabling or be removed from the property.
 - **Reporting a Sick Horse:** Report any horse with observable signs of illness, including, but not limited to, nasal discharge, abnormal gait, change in feed or water consumption, or change in behavior to the official veterinarian and show management.
- The official veterinarian for Del Mar Dressage - CDS San Diego Road to Championships is **San Dieguito Equine**, and they are available at **760.591.9952** during this event to take reports of fevers or illness.

IF AN INFECTIOUS DISEASE IS SUSPECTED

- **The official veterinarian may require** a potentially sick horse to be tested for infectious disease at the owner's expense. If the owner/trainer chooses not to submit to testing, the horse may be asked to leave the competition venue.
- **Per USEF requirements**, we have a biosecurity plan in place for where and how to isolate any potentially sick or exposed horses, and we will work closely with state animal health officials to assist with contact tracing and any additional health and safety measures they require.
- **Failure to Comply with Biosecurity Measures:** Individuals who fail to comply with any biosecurity requirements will be reported to USEF for enforcement action and may be removed from the premises.

Any questions regarding biosecurity protocols should be submitted to DelMarHealth@HITSShows.com.

NOTE: THIS BIOSECURITY PROTOCOL IS SUBJECT TO CHANGE!

- 1) USEF now mandates the reporting of a fever in any horse at a USEF competition. If a temperature greater than 101.5° F is detected, it must be reported to the show veterinarian and competition manager, per USEF rule GR873.1.
- 2) With screwworm recently detected in Mexico, it's vital that we all do our part to ensure it does not spread here in the U.S. To familiarize yourself with screwworm and the clinical signs click here: [Screw Worm](#) Information

2026 Nutrena/USDF Breeders Championship Series Program Rules

The Nutrena/USDF Breeders Championship Series (Nutrena/USDFBCS) is a program intent on recognizing quality bloodlines and dressage prospects across the nation. Through a combination of in-hand and materiale classes, the Nutrena/USDFBCS provides competition opportunities for dressage prospects and breeding stock.

- The Nutrena/USDFBCS is scheduled on a calendar year basis. It starts January 1 and ends September 30.
- A series must have a minimum of two qualifying events to host a series final competition.
- Series boundaries are determined by USDF. Please be advised that the boundaries of any given series may cross the regional boundaries established for regular dressage competitions.
- All Dressage Sport Horse Breeding (DSHB) and Nutrena/USDFBCS exhibitors and management are responsible for knowing the rules for USEF-licensed/USDF-recognized dressage competitions holding DSHB classes, as well as USEF-licensed/USDF-recognized competitions in general. The USEF Rule Book Dressage Chapter, Subchapter DR-2, contains the DSHB class rules, and can be found at www.usef.org.

I. NUTRENA/USDFBCS IN-HAND CHAMPIONSHIP DIVISIONS

DSHB In-Hand classes provide evaluation of conformation and movement of horses of all ages for potential dressage horses and/or breeding stock.

A. IN-HAND CLASSES - HORSE REGISTRATION AND MEMBERSHIP REQUIREMENTS (NUTRENA/USDFBCS QUALIFYING OR SERIES FINAL CLASSES)

CHART 1: USDF REQUIREMENTS FOR IN-HAND DIVISIONS	
HORSE	Either USDF Lifetime Horse Registration (LHR) or USDF Horse Identification Number (HID) is required for all horses entered and must be submitted. Horses registered with a breed organization should have a copy of their registration papers submitted directly to USDF. Horses participating in Nutrena/USDFBCS qualifying or series final competitions are not required to be registered with any breed registry. For registered horses the name of the breed, sire, dam, damsire, and breeder must be given on the entry blank. Horses not registered with a breed registry should be listed as “unregistered” on entry blank. For unregistered horses competing in DSHB classes, the breeding information is strongly recommended.
OWNER	Owner is not required to be a USDF member for qualifying or series final competitions. If the owner does not have a USDF Participating, Group or Business membership, then a USDF non-member fee will apply.
HANDLER/ ASSISTANT HANDLER	Neither USDF membership nor a USDF non-member fee is required for the handler.
Elimination of a horse from its relevant class or series final class may occur should any USDF non-member, membership or horse registration/HID applications with related fees fail to be paid and/or collected by show management and submitted to USDF at the completion of a competition.	

B. REQUIREMENTS FOR NUTRENA/USDFBCS IN-HAND QUALIFYING CLASSES

1. Classes must be offered and judged according to DR209.
2. Neither foals nor horses of any other age may be shown loose.
3. All qualifying competitions must offer every Sport Horse Prospect In-Hand and Breeding Stock In-Hand division of the Nutrena/USDFBCS. The divisions are:
 - a. Current Year Foal Championship
 - b. Filly Championship

HITS DEL MAR DRESSAGE FALL 2025

- c. Colt/Gelding Championship
 - d. Four-Year-Old Prospect Championship
 - e. Mare Championship (Breeding Stock)
 - f. Stallion Championship (Breeding Stock)
4. Only a single set of Sport Horse Prospect and Breeding Stock In-Hand DSHB qualifying classes may be offered per competition. These classes must be open to all horses and ponies of the appropriate age and sex, and not subject to any entry restriction.
 5. A separate qualifier championship class must be held for all divisions, even those that have only one class or one horse in the division. All horses must be re-evaluated by the judge(s) at both the walk and the trot in the championship class per DR210. If any one of the judges adjudicating this class has not previously judged all the horses in this class, conformation must also be reevaluated on every horse.
 6. Qualifier championship classes must be open to first and second place winners of their respective In-Hand qualifying classes as listed in Chart 2 below. Organizers have the option of including third placed horses in qualifier championship classes. No scores are given. Ties are not allowed. The champion and reserve champion of each division at each qualifier event are eligible to compete in their respective Nutrena/USDFBCS Final championship class. A third-place horse in each championship class must be named as well.
 7. Current Year Foals ARE NOT ALLOWED in Filly Championship and Colt/Gelding Championship classes. Fillies of Current Year and Colts/Geldings of Current Year will compete in the same Current Year Foal Championship.
 8. Four-Year-Old Prospect mares and Four-Year-Old Prospect stallions/geldings will compete against each other in the same Four-Year-Old Prospect Championship.
 9. Mare classes may be divided by age, competition and/or breeding status (as of January 1st of the current competition year), as in the following examples:
 - a. Four-Year-Old & Older Maiden Mares
 - b. Four-Year-Old & Older Yeld Mares
 - c. Four-Year-Old & Older Broodmares
 10. Stallion classes may be divided by age, competition and/or breeding status, as in the following examples:
 - a. Four-Year-Old & Older Stallions Showing Only In-Hand
 - b. Four-Year-Old & Older Stallions Showing Also Under Saddle
 11. Note the following clarification on "stallion": No geldings may compete in the Nutrena/USDFBCS classes for stallions even if they are gelded after qualifying for the finals and are breeding via frozen semen.
 12. Each horse may only enter the Nutrena/USDFBCS qualifying class(es) for which it is eligible and may only qualify for the specific Nutrena/USDFBCS championship class(es) for that division(s). Four-Year Old Mares & Stallions may show in both the Four-Year Old Prospect class AND their respective Breeding Stock class.
 13. Geldings of any age may NOT show in breeding stock classes/categories. Geldings, age four and under, may show ONLY in sport horse prospect classes.
 14. All classes must be judged using the correct score sheet for appropriate category percentages. Sport horse prospects four years old and under MUST be evaluated on the current USDF Dressage Sport Horse Prospect In-Hand score sheets and mare and stallion breeding stock MUST be evaluated on the current USDF Dressage Sport Horse Breeding Stock score sheets.
 15. During awards ceremonies, each division champion and reserve champion must be named Nutrena/USDFBCS qualifying champions and reserve champions for the show and be awarded a qualifier ribbon that is supplied to the show by USDF. Announcements must identify sponsors and horses' breeding information. If a champion and/or reserve has already qualified for a final, the third-placed horse from the pertinent qualifying championship class will be eligible to compete in a final. Qualifying ribbons are still awarded to the champion and reserve champion, the third-place horse will not receive a qualifier ribbon.
 16. Any horse receiving a 75.000% or higher in its age/sex class is eligible to compete in the Nutrena/USDFBCS Finals, independent of whether they go forward to a qualifying championship class.
 17. A list of qualified horses is maintained on the USDF website.
 18. All champions and reserve champions will be eligible to compete in **ANY** Nutrena/USDFBCS Final, regardless of where qualification is earned, but may compete in only **one** series final competition per calendar year.

C. CONDUCT OF SERIES FINAL IN-HAND CHAMPIONSHIP CLASSES

2. Ties in series final classes must remain unbroken. Examples:
 - a. If there are two champions, there is not a reserve champion.
 - b. If there are two reserve champions, the next place will be 4th place.
3. A grand champion and reserve grand champion for each division will be named at each Nutrena/USDFBCS Final event and will receive awards and prizes provided by USDF. 4. USDF reserves the right to change, alter, or retract any placings and/or prizes for up to 60 days after the last day of competition if an error or violation is discovered.
5. Each horse must be shown individually on the triangle at the walk and trot and stand for conformation. Callbacks are permitted only if stated in the prize list or program (DR209).
6. The owner **must enter** the qualified horse in the appropriate Nutrena/USDFBCS Final championship class. The horse is NOT automatically entered in the series final championship class because it qualified earlier in the day or at another show. Series final events must allow late entries in series final classes for horses that qualified after the official closing date.
7. Management must collect all USDF non-member, membership and/or horse registration/HID applications and related fees prior to the start of a series final class for eligible entries to compete in the class. Should the required USDF non-member, membership or horse registration/HID applications and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its series final class may result.

II. NUTRENA/USDFBCS Materiale Championship Division

USDF Horse Welfare Statement

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.

I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of California, and any action instituted against the Federation must be filed in California State. See GR 908.4. "EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH."

All questions not covered in these rules and regulations shall be decided by the Show Management whose decision shall be final.

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/ roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

WARNING: Under the Equine Activity Liability Act, each participant who participates in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to person or property resulting from the risk of equine activities.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, West Palms Event Management, HITS LLC and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

RESPONSIBILITY OF PAYMENT OF SERVICES & SUPPLIES: All owners and exhibitors will be held responsible for any damage incurred by them, their animals, agents, or employees, to stalls, buildings and other properties on the Show grounds and shall be billed accordingly. Any exhibitor not meeting their obligations to the official Show Veterinarian, farrier and feed/bedding vendor will be termed an undesirable exhibitor and entries from that exhibitor may not be accepted at subsequent shows.

Exhibitors should exercise extreme caution before medicating their horses and should be aware of the US EQUESTRIAN FEDERATION and FEI Anti-Doping rules governing drugs and medications.

A trainer is defined as any adult who has responsibility for the horse on the competition grounds and must sign the entry form.

IMPORTANT NOTICE TO ALL AFFECTED PARTIES: Third parties may come upon the property or enter the facilities where any herein described or listed event will occur; provided, that this is a license to enter the premises, for the purpose of observing or participating in the event, but not otherwise, and such license to any individual is subject to revocation by the owner, lessee or organizer, and entry for any purpose other than granted herein, shall be deemed criminal trespass and subject to appropriate legal proceedings.

SHARPS DISPOSAL: Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$500 for improper disposal of needles or other sharp disposable instruments. Containers are located at the end of each barn aisle and within center aisles when center aisles are present within the barns.

DOGS: Facility rules require that dogs must be on a leash (not to exceed 6 feet in length) or suitably restrained in a tack stall/cage etc. Loose animals/animals left in vehicles in distress, etc. can and will be removed from the grounds at the owner's expense. Loose dogs will be picked up and detained and the owner fined \$100.

Motorized Vehicle – GR1301.7 & GR 1301.8: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Protective headgear –DR120.1.1 (GR801): Protective headgear is defined as a riding helmet, which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse at any time on the competition grounds, including non-competing riders, riders on non-competing horses, mounted participants in exhibition classes, and those competing in all classes and tests, including Para Dressage tests, must wear protective headgear as defined by this rule and otherwise in compliance with GR801. The harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until the headgear is properly in place. Protective headgear may be the same as or a coordinating color with the coat, and may include contrast coloring, accent, and crystal decoration. See DR136 for dress code rules for exhibitions.

Emergency Veterinary Treatment of the Horse: In the event of an acute and serious injury to or illness of a horse on competition grounds when the owner or trainer of the horse or agent of the owner is not present, after reasonable effort to contact that individual has been made, competition management, in consultation with a licensed equine veterinarian, may authorize the provision of emergency veterinary treatment of the horse. If competition management so authorizes treatment under the provisions of this rule, competition management and veterinarian are not liable for any resulting costs, damages, losses, claims, or actions arising directly or indirectly from the treatment of the horse. Technical Delegates must also conduct random ringside bit checks immediately after rides are completed, some of which can be included in the 50%, using a new disposable protective glove on each hand for each horse. Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Prix Caprilli Test #2 (First Level)

Purpose: For horses with jumping experience showing First Level Dressage or above - maximum height of fences 2'6". It is understood that in the working gaits, a jumping horse is not expected to be as round on the bit as a competing dressage horse. The horse must softly accept the bit and may show more "roundness" in the parts of the tests separate from the jumps. Unless otherwise noted, trot work may be done posting or sitting. When allowed to change leads the horse may do a flying change or change through the trot. The quality of the change is what matters. Test may be called. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced the bell will be rung again telling the rider to continue where he stopped.
