Dear Exhibitors, Sponsors, Vendors, & Supporters,

We welcome you back this month to the favorite show of the year! Our Spooktacular Show is so much fun to host for the community. While we are still a Level 3 USEF 2026 Qualifier which is serious business, it's also the end of the season and time to relax a little and just have fun with our horses!

This year our Costume Casino Night and Party in the Barns competition will be moving to Friday Night, with the costume classes remaining on Saturday. Our Putnam Family Circuit Champions will be awarded and presented at the end of Saturday instead of Sunday. So get those creative juices flowing for costumes and decorations and join us for a SPOOKTACULAR good time!!

Before you arrive,

HERE ARE A FEW REMINDERS ABOUT THE BEST WAYS YOU CAN KEEP YOUR HORSES SAFE & HEALTHY

- **Temperature Monitoring:** Twice daily temperature monitoring is highly encouraged while on the competition grounds and management will provide temp logs upon request. In the event of elevated disease risk or an infectious disease incursion, management will notify competitors of mandatory twice daily temperature monitoring and recording (ideally 12 hours apart and prior to any temperature-reducing medication (i.e. Bute or Banamine). Temperature logs will be provided for placement on the stall door for recording temperatures.
 - **Limit Horse-to-Horse Contact:** Direct contact between horses from different home facilities should be minimized, and horse-to-human contact between facilities should be limited.
 - **Avoid Shared Equipment or Water Sources.** Do not share equipment between horses, and do not use communal water sources. Make sure horses have their own buckets, feed pans, grooming equipment, and rags, and limit or eliminate other equipment that touches more than one horse. Fill water buckets without submerging the hose in the buckets.
 - **Reporting a Febrile Horse:** Any horse with a temperature over 101.5F is required to be reported immediately to the official veterinarian, who will examine the horse to determine the next steps, and to horse show management. Any horse suspected of having an infectious disease will be required to immediately enter isolation stabling or be removed from the property.
 - **Reporting a Sick Horse:** Report any horse with observable signs of illness, including, but not limited to, nasal discharge, abnormal gait, change in feed or water consumption, or change in behavior to the official veterinarian and show management.
- The official veterinarian for Del Mar Dressage - CDS San Diego Road to Championships is **San Dieguito Equine**, and they are available at **760.591.9952** during this event to take reports of fevers or illness.

IF AN INFECTIOUS DISEASE IS SUSPECTED

- **The official veterinarian may require** a potentially sick horse to be tested for infectious disease at the owner's expense. If the owner/trainer chooses not to submit to testing, the horse may be asked to leave the competition venue.
- **Per USEF requirements**, we have a biosecurity plan in place for where and how to isolate any potentially sick or exposed horses, and we will work closely with state animal health officials to assist with contact tracing and any additional health and safety measures they require.
- **Failure to Comply with Biosecurity Measures:** Individuals who fail to comply with any biosecurity requirements will be reported to USEF for enforcement action and may be removed from the premises.

USDF Horse Welfare Statement

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.

GENERAL CONDITIONS

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/ roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

WARNING: Under the Equine Activity Liability Act, each participant who participates in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to person or property resulting from the risk of equine activities.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, HITS LLC and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Prix Caprilli Test #2 (First Level)

Purpose: For horses with jumping experience showing First Level Dressage or above - maximum height of fences 2'6". It is understood that in the working gaits, a jumping horse is not expected to be as round on the bit as a competing dressage horse. The horse must softly accept the bit and may show more "roundness" in the parts of the tests separate from the jumps. Unless otherwise noted, trot work may be done posting or sitting. When allowed to change leads the horse may do a flying change or change through the trot. The quality of the change is what matters. Test may be called. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced the bell will be rung again telling the rider to continue where he stopped.
