HITS OCALA **YOUNG JUMPER DEVELOPMENT PROGRAM**

Under this Program, any horse 7-Years Old or under may show in up to three "open" jumper classes at .60m-1.30m, and have the class fees waived for those classes. See details below. This is in addition to the Young Jumper 5-, 6- and 7-Year Old Jumper Classes that are already offered with a free entry fee. Horses will be eligible to receive Prize Money in classes that offer it. Special Classes, Classics, or classes restricted to Juniors or Amateurs. Exception: a class shown "hors concours" will be eligible for the Program, but prize money will not be paid. Hunter and Equitation classes will not count for this program, and will not be credited.

Horses must be age verified with USEF to participate in this program.

Horses must be Declared for the Young Jumper Program at the time of check-in each week, when back numbers are picked up for the show. At checkout, Exhibitors must review accounts with the Show Office for class credits. Horses will be credited for the class fees for the three lowest priced classes eligible for the program. Example: if the horse shows in three "Non-Nominated" jumper classes, and one "Nominated" jumper class, the three "Non-Nominated" classes will be credited. The Show office is not responsible for credits not issued for horses whose accounts are not closed out in the Show Office, or by email or remote method. Horses not declared for the Young Jumper program at check-in will not be eligible to have their class fees credited.

Horses will be charged for any Stalls, All Inclusive Facility Fee, USEF/USHJA Horse/Drug Fees, and any other Association Fees (Show Pass fees, Horse or Owner/Rider/Trainer Membership fees, etc.), any Feed/Bedding, Paddocks, RV's, Restaurant Charges, and any other Miscellaneous Fees (Shoeing, Vet, Post Entry Fee, etc.), and any entry or nominating fees for classes beyond the three eligible classes showed in. Jumper Nomination will not be credited when the horse competes in nominated classes outside of the Young Jumper Program.

Horses must purchase a weekly stall from the horse show to be eligible for this program.
Any questions or discrepancies not covered herein will be decided by Show Management, its decision to be final. Updates may made to this policy as needed. **Young Jumper classes do not count towards USHJA Young Jumper Points.**

KEEPING HORSES HEALTHY AT EVENTS **IS A SHARED RESPONSIBILITY**

Before you arrive,

HERE ARE A FEW REMINDERS ABOUT THE BEST WAYS YOU CAN KEEP YOUR HORSES SAFE & HEALTHY

• **Temperature Monitoring:** Twice daily temperature monitoring is highly encouraged while on the competition grounds and management will provide temp logs upon request. In the event of elevated disease risk or an infectious disease incursion, management will notify competitors of mandatory twice daily temperature monitoring and recording (ideally 12 hours apart and prior to any temperature-reducing medication (i.e. Bute or Banamine). Temperature logs will be provided for placement on the stall door for recording temperatures.

• **Limit Horse-to-Horse Contact:** Direct contact between horses from different home facilities should be minimized, and horse-to-human contact between facilities should be limited.

• **Avoid Shared Equipment or Water Sources**. Do not share equipment between horses, and do not use communal water sources. Make sure horses have their own buckets, feed pans, grooming equipment, and rags, and limit or eliminate other equipment that touches more than one horse. Fill water buckets without submerging the hose in the buckets.

• **Reporting a Febrile Horse:** Any horse with a temperature over 101.5F is required to be reported immediately to the official veterinarian, who will examine the horse to determine the next steps, and to horse show management. Any horse suspected of having an infectious disease will be required to immediately enter isolation stabling or be removed from the property.

• **Reporting a Sick Horse:** Report any horse with observable signs of illness, including, but not limited to, nasal discharge, abnormal gait, change in feed or water consumption, or change in behavior to the official veterinarian and show management.

• The official veterinarian for these events are listed below, and are available during this event to take reports of fevers or illness.

Peterson Smith Equine Hospital + Complete Care **(352) 237-6151**

IF AN INFECTIOUS DISEASE IS SUSPECTED

• **The official veterinarian** may require a potentially sick horse to be tested for infectious disease at the owner's expense. If the owner/trainer chooses not to submit to testing, the horse may be asked to leave the competition venue.

• **Per USEF requirements**, we have a biosecurity plan in place for where and how to isolate any potentially sick or exposed horses, and we will work closely with state animal health officials to assist with contact tracing and any additional health and safety measures they require.

• **Failure to Comply with Biosecurity Measures:** Individuals who fail to comply with any biosecurity requirements will be reported to USEF for enforcement action and may be removed from the premises.

• **Stall Customizations:** As part of HITS ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as reserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events. We kindly ask for your attention to the following points: Removal of Stall Customizations: Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, and the like must be removed. The use of such materials, especially staples, poses significant risks to the horses and the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, and in their original condition (minus the bedding). Responsibility of Competitors: It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them. Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep and animal safety, HITS will impose a fine of $500 for stalls that are not left in good condition. This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling.

• **Stall Alterations are strictly forbidden.** The removal of stall tent side poles, side ropes and/or stakes/anchors is strictly prohibited. Any exhibitor found in violation will be issued a single warning. If violation continues, Management reserves the right to remove from the Showgrounds all property belonging to or under the control of said violator. Further, Management reserves the right to bar any exhibitor found to be in violation from any further participation in the Horse Show without recourse to any refund of entry or stabling fees paid or due.
