2027 HITS JUNIOR/YOUNG RIDER 3'6" EQUITATION CHAMPIONSHIP **SPECIFICATIONS**

• **The HITS Junior/Young Rider 3'6" Equitation Championship** class is open to Junior & Young riders (GR 150) in good standing with USEF. Only one rider per horse and the same horse must be used for all phases. A substitute horse may be used if the change of horse happens prior to Phase 1. Winners from previous years may continue to compete in this Championship class. Trainers are permitted to assist in schooling, including walking the course with their riders. Courses will be posted at the in-gate 30 minutes prior to the start of the competition. No qualifying requirements apply to rider or horse to enter the class.

• **FORMAT:** The Championship Class consists of two Phases. Each phase will be scored using the open numeric system. The top 12 riders with the highest scores from Phase 1 will return in reverse order for Phase 2. Scores from Phase 1 and Phase 2 will be added together to determine the riders to return for mandatory additional testing . If there is more than one panel for Phases 1 and 2, the rider's score for the Phase will be the total of both panels. The Top 4 riders and any rider whose total score from Phases 1 and 2 is within 3 points of the leader will be subject to mandatory additional testing (maximum of 8). Judges shall determine the Additional Testing requirements using USEF Tests 1-23 and 2 or more tests must be incorporated into the Additional Testing phase. Riders will be tested in reverse order (low score to high score). Each rider in the testing phase will be given a numerical score (not announced until the awards), which will be added to their total score from Phases 1 and 2. All phases count equally. If more than one panel of judges is used, the judges will sit together for the additional testing phase.

PHASE 1: Each rider will compete individually over an equitation-style course of equitation-jumper style jumps not to exceed 3'6" and must include 2 changes of direction after the first jump and include a combination. The course must also include at least 3 of the following: a bending line, a narrow jump, a roll-back turn, a fence at the end of the ring, a long approach to a single, or an option jump. Course may include a Liverpool as part of an option jump. Emphasis will be placed in riding style, technique, accuracy and smoothness in completing the course.

PHASE 2: The top 12 riders from Phase 1 with the highest scores will return in reverse order (low score to high score) to compete individually over a gymnastic-style course of jumps not to exceed 3'6". This class will be jumped under traditional equitation standards. In addition, two or more USEF Tests (choosing from 2,8,10,12,16,17,18, 20) must be included in the course.

• **SCORING:** For Phase 1 and Phase 2, two judges sitting together or 2 panels of two judges each which panels will sit apart and use the open numeric system for scoring. If there is more than one panel for Phases 1 and 2, the rider's score for the Phase will be the total of both panels. Riders' scores will be added together from Phases 1 and 2 to determine the Top 4 and any additional riders that would be required to test. 2 Refusals in any Phase will be cause for elimination from that Phase. A rider who receives a zero (eliminated) in any round is not eliminated from overall consideration. A rail knocked down results in a 4-point deduction from the Rider's score for each rail.

• **TIES:** For competitors involved in additional testing, overall ties from Phase 1 and 2 will be broken by the judges. In the event of an overall tie for riders not included in the work-off, the rider with the highest score in Phase 2 will receive the higher overall placing.

• **SCHOOLING RULES:** 30 minutes prior to the start of this class, riders may only school in the designated schooling area for this Championship. Any conflicts should be discussed with the Schooling Supervisor prior to the start of the Phase.

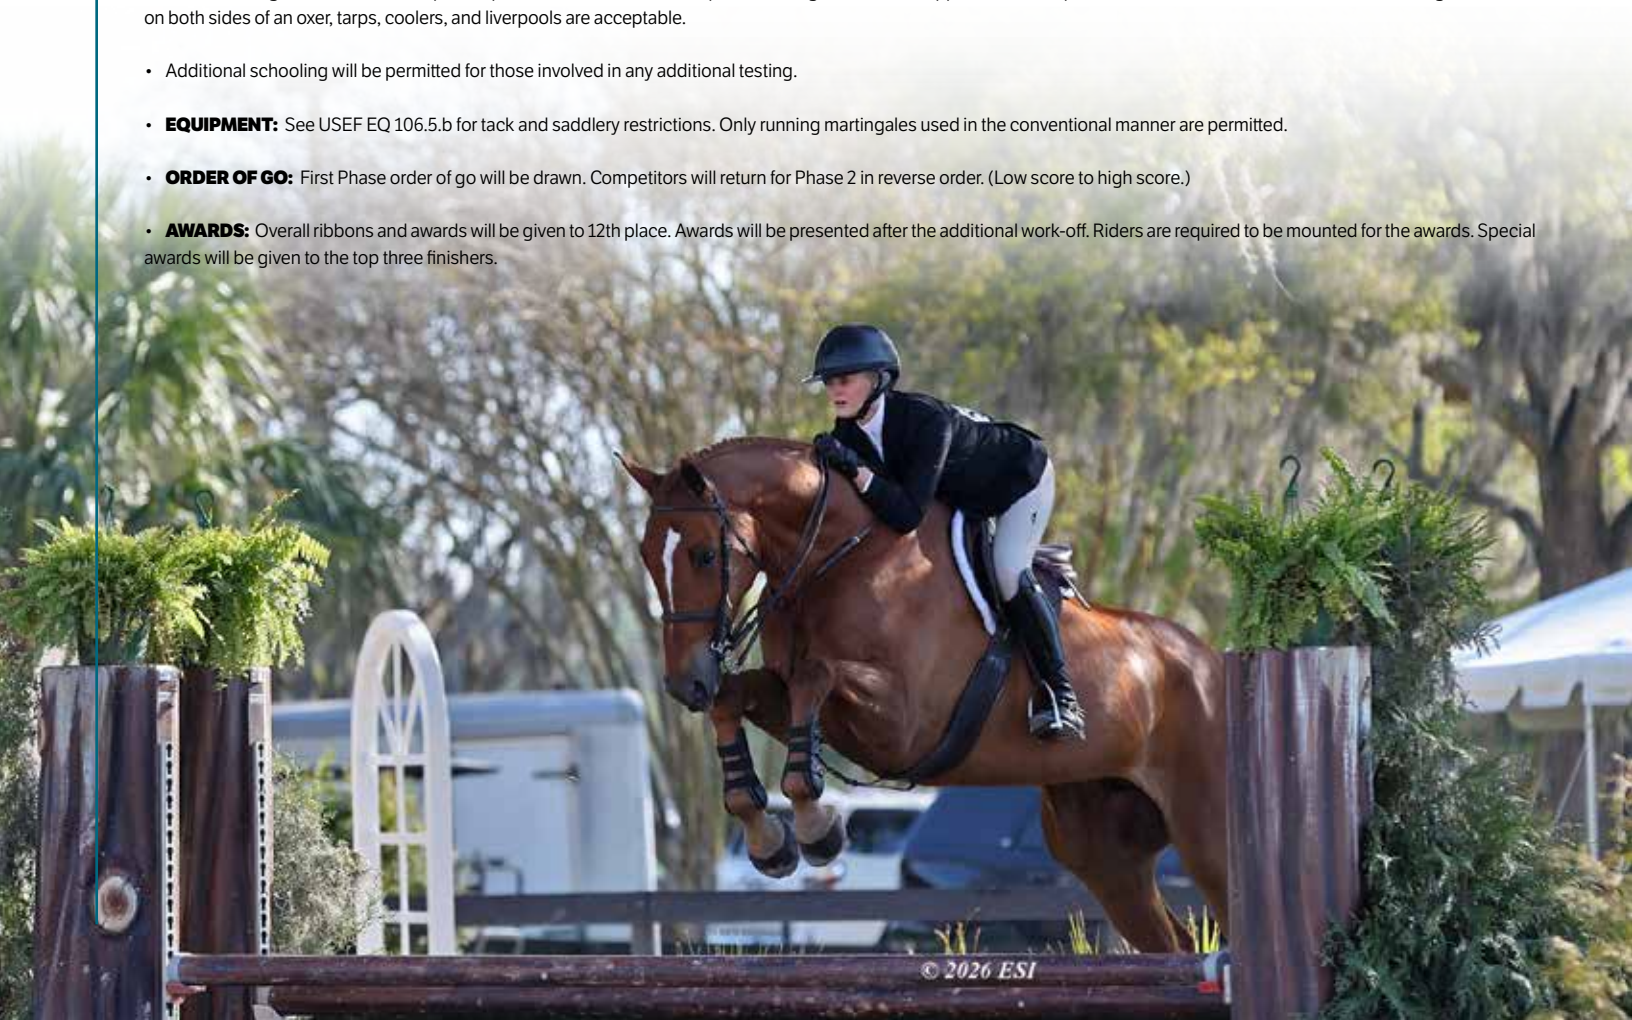

• The Schooling Rules for this Championship class will follow USEF Jumper Schooling rules (see JP Appendix A) Except that Swedish Oxers (max 12-inch difference), ground lines on both sides of an oxer, tarps, coolers, and liverpools are acceptable.

• Additional schooling will be permitted for those involved in any additional testing.

• **EQUIPMENT:** See USEF EQ 106.5.b for tack and saddlery restrictions. Only running martingales used in the conventional manner are permitted.

• **ORDER OF GO:** First Phase order of go will be drawn. Competitors will return for Phase 2 in reverse order. (Low score to high score.)

• **AWARDS:** Overall ribbons and awards will be given to 12th place. Awards will be presented after the additional work-off. Riders are required to be mounted for the awards. Special awards will be given to the top three finishers.

HITS OCALA WINTER CIRCUIT **2026**

HITS OCALA **YOUNG JUMPER DEVELOPMENT PROGRAM**

Under this Program, any horse 7-Years Old or under may show in up to three "open" jumper classes at .65m-1.30m, and have the class fees waived for those classes. See details below. This is in addition to the Young Jumper 5-, 6- and 7-Year Old Jumper Classes that are already offered with a free entry fee. Horses will be eligible to receive Prize Money in classes that offer it. Special Classes, Classics, or classes restricted to Juniors, Amateurs, Child or Adult riders are not included in the program. Exception: a class shown "hors concours" will be eligible for the Program, but prize money will not be paid. Hunter and Equitation classes will not count for this program, and will not be credited.

Horses must be age verified with USEF to participate in this program.

Horses must be Declared for the Young Jumper Program at the time of check-in each week, when back numbers are picked up for the show. At checkout, Exhibitors must review accounts with the Show Office for class credits. Horses will be credited for the class fees for the three lowest priced classes eligible for the program. Example: if the horse shows in three "Non-Nominated" jumper classes, and one "Nominated" jumper class, the three "Non-Nominated" classes will be credited. The Show office is not responsible for credits not issued for horses whose accounts are not closed out in the Show Office, or by email or remote method. Horses not declared for the Young Jumper program at check-in will not be eligible to have their class fees credited.

Horses will be charged for any Stalls, All Inclusive Facility Fee, USEF/USHJA Horse/Drug Fees, and any other Association Fees (Show Pass fees, Horse or Owner/Rider/Trainer Membership fees, etc.), any Feed/Bedding, Paddocks, RV's, Restaurant Charges, and any other Miscellaneous Fees (Shoeing, Vet, Post Entry Fee, etc.), and any entry or nominating fees for classes beyond the three eligible classes showed in. Jumper Nomination will not be credited when the horse competes in nominated classes outside of the Young Jumper Program.

Any questions or discrepancies not covered herein will be decided by Show Management, its decision to be final. Updates may made to this policy as needed. **Young Jumper classes do not count towards USHJA Young Jumper Points.**

Ready to welcome **HITS riders and guests!**

KEEPING HORSES HEALTHY AT EVENTS **IS A SHARED RESPONSIBILITY**

Before you arrive,

HERE ARE A FEW REMINDERS ABOUT THE BEST WAYS YOU CAN KEEP YOUR HORSES SAFE & HEALTHY

• **Temperature Monitoring:** Twice daily temperature monitoring is highly encouraged while on the competition grounds and management will provide temp logs upon request. In the event of elevated disease risk or an infectious disease incursion, management will notify competitors of mandatory twice daily temperature monitoring and recording (ideally 12 hours apart and prior to any temperature-reducing medication (i.e. Bute or Banamine). Temperature logs will be provided for placement on the stall door for recording temperatures.

• **Limit Horse-to-Horse Contact:** Direct contact between horses from different home facilities should be minimized, and horse-to-human contact between facilities should be limited.

• **Avoid Shared Equipment or Water Sources**. Do not share equipment between horses, and do not use communal water sources. Make sure horses have their own buckets, feed pans, grooming equipment, and rags, and limit or eliminate other equipment that touches more than one horse. Fill water buckets without submerging the hose in the buckets.

• **Reporting a Febrile Horse:** Any horse with a temperature over 101.5F is required to be reported immediately to the official veterinarian, who will examine the horse to determine the next steps, and to horse show management. Any horse suspected of having an infectious disease will be required to immediately enter isolation stabling or be removed from the property.

• **Reporting a Sick Horse:** Report any horse with observable signs of illness, including, but not limited to, nasal discharge, abnormal gait, change in feed or water consumption, or change in behavior to the official veterinarian and show management.

• The official veterinarians for these events are listed below, and are available during this event to take reports of fevers or illness.

Peterson Smith Equine Hospital + Complete Care Show Veterinarian, (352) 237-6151

IF AN INFECTIOUS DISEASE IS SUSPECTED

• **The official veterinarian** may require a potentially sick horse to be tested for infectious disease at the owner's expense. If the owner/trainer chooses not to submit to testing, the horse may be asked to leave the competition venue.

• **Per USEF requirements**, we have a biosecurity plan in place for where and how to isolate any potentially sick or exposed horses, and we will work closely with state animal health officials to assist with contact tracing and any additional health and safety measures they require.

• **Failure to Comply with Biosecurity Measures:** Individuals who fail to comply with any biosecurity requirements will be reported to USEF for enforcement action and may be removed from the premises.

In some cases, the competitor may not return to competition without a signed release from a licensed medical professional. - **Protective Headgear:** It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions in all Hunter, Jumper and Hunt Seat Equitation classes, when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee and Licensed Official are not responsible for checking headgear worn for such compliance. GR 801.2,7.
- **Motorized Vehicles:** Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. **Electric Golf Carts** WILL NOT be permitted to plug into any electrical outlet on the grounds. Violation will result in the plug or charger being confiscated by show management, and/or a Fine if deemed necessary.
- **Dogs must be restrained on the Showgrounds**. Loose dogs will be picked up and detained and the owner fined $100. The owner may be barred from showing and expelled from the Showgrounds for a second offense, or for refusal to pay the fine, and will not be entitled to any refund of entry or stabling fees paid or due. Management reserves the right to call Animal Control to have an animal removed from the premises.
- **Electrical/Fire Regulations:** Electrical installation and connections must meet all state and county codes. Aisles shall be maintained clear for a minimum of six feet wide by eight feet high. No obstructions or projections shall be allowed in these aisles. No Class I Flammable Liquids such as gasoline are allowed inside the buildings. Cooking is not permitted within any stable area. Further, Management reserves the right to bar any exhibitor found to be in violation from any further participation in the Horse Show without recourse to any refund of entry or stabling fees paid or due.
- **Stall Customizations:** As part of HITS ongoing commitment to ensure the safety of all participants, particularly the horses in this instance, as well as preserving the integrity of our facilities, we are implementing important updates to our stabling guidelines. These new guidelines apply to all events. We kindly ask for your attention to the following points: Removal of Stall Customizations: Effective immediately, all customizations to the stalls, including but not limited to nails, screws, staples, eye hooks, plastic sheeting, metal wire, twine, and the like must be removed. The use of such materials, especially staples, poses significant risks to the horses and the integrity of our facilities. We strongly recommend the elimination, or at the very least, significant limitation of staples inside the stalls. Our goal is to ensure that all stalls are safe, clean, and in their original condition (minus the bedding). Responsibility of Competitors: It is the competitors' responsibility to ensure that their staff is fully informed of and complies with these updated guidelines. We encourage team leads to hold briefings with their staff to ensure everyone is aware of these changes and understands the importance of adhering to them. Fines for Non-Compliance: In our efforts to maintain the highest standards of facility upkeep and animal safety, HITS will impose a fine of $500 for stalls that are not left in good condition. This measure is not intended to be punitive, but rather to underscore the importance of leaving the stalls in the same condition as they were found (bedding excluded). We believe this will encourage a collective effort towards maintaining a clean and safe environment for everyone, a form of pay-it-forward to all who utilize our stabling.
- **Damage:** Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the Showgrounds, and shall be billed accordingly.
- **Alcoholic Beverages** in any form may not be brought onto the Showgrounds.
